wheat with a drill in one day, harvest in less than one day, and thresh in 2 hours

tariff, all the same when considered right- ington Cor. Boston Herald. ly. We get 88 cents for our wheat, making \$83. We buy I two-horse wagon...

1 two-horsecultivator

I two horse turning plow. "Now which man made his 100 bush- colt rolled off unnurt. The mare had els of wheat the easiest, and which got wildly leaped culverts and crossing the most merchandise for the crop? These are the fruits of a home market, down the side of the track .- Cor. Philaprotection and railroad. If this is true delphia Record. in a small case it must be in all, for it is a fact beyond successful contradiction that protection does stimulate home market, and thereby make goods cheap-

Prices.

During the month ending January 17 1891, the price of 64x64 American made cotton prints was 2 15-16 cents per yard at the Fall River (Rhode Island) mills. This was the lowest price ever reported Since then there has been a recovery to 3 cents per yard,

infamous Mckinley bill" would add to the cost of every vard of calleo bought by a "poor servant girl," or a "poor me- Mr. Close. The alleged poet was a mere chanic's wife," or a "poor farmer's daugh writer of doggerel, and after much di ter," always using the adjective poor, though the American servant girl is rich | Lord Palmerston considered his blander when compared to her European sister, an excellent joke, and the American mechanic's wife and the American farmer's daughter live in a luxury of which their European congeners are ignorant.

But since the bill has come into operaincreased prices has become palpable the American free trader has amended his pleading. He now tells us that, however low prices may be made under a protective tariff, the cost of material will be less than it now is as soon as the tariff

at the protected mills of Fall River was less than 3 cents per yard during the month ending January 17, 1891. Fair Trade, an English journal, makes note of prints turned out of English mills for least six of the manufacturer's buttons. exportation to the United States during the year 1880 cost 4.07 cents per yard; this being without reference to cost of ocean freight or tariff duties.

Now, if under protection cotton prints well at less than 3 cents, while the same tion of deserving boys. goods sell at more than 4 cents under free trade, why should we repeal protection? Is it not well to let well enough alone? And we seem to be doing well enough.

Cellian & Salm. The Major sure:

I was suffering greatly from Polypus and inward Piles. I had tried local treats medicine with no ayail. Froat the advertisement of Drs. McChellan & Salm and I wo medicine with no ayail. Treat the advertisement of Drs. McChellan & Salm and I wo medicine a trial. At their last visit to the city they deciared me curved, and they disch now like a new man. They did everythings they deciared me curved, and they disch now like a new man.

They did everything from Issommia teleoplessness and general nervous peach on the former discase for more than three years. I became so weak that I could not one the former discase for more than three years. I became so weak that I could not one they city, but without the least benefit. I put myself under the care of Irra McChellan & New Castle every four weeks, and I am now as well as ever, hale and hearty; am New Castle every four weeks, and I am now as well as ever, hale and hearty; am health.

MADE THE LAME WALK WITHOUT CRUTCHES.

EIGHT POLIFI REMOVED FROM THE NOSE.

Des. McCledian & Saim have removed eight Ponifo out of my most the charge without almost pain or loss of blood, and in by far less time and in a more satisfactory manner than I have as a tofore at Pinsburg. I can draw more breath with comfort and pleasure through my most.

I have now been under treatment of Drs. McCledian and Saim for three months for a but can Catarrh, and was very hard of bearing, but now I am greatly improved in every way and any great deal better, and I am getting stranger and heavier.

Hooker, Builder Co., Pa., Sept. 4, 1890.
