TESTIMONIALS: About 8 years ago I had a helfer that broke her hind leg be the leg, bandaged it. &c., and gave directions how to treat it during hot weather. Made several is. The leg got as well and straight as ever. JOHN HAY, Jefferson Twp. This is to certify that I saw G. F. Countryman perform the operation of Neurotomy, separation of the nerves) in Chronic Navicular Disease. The horse was very lame in the foot before the operation. After the operation the lameness had all disappeared. Horse moved off seemingly all right. I think Mr. Countryman understands his busines. CHAS. WHIPPERMAN, Jenner Township. About the 1st of February last I had a yearling colt that got its front leg broke about 6

inches above the knee. I called on Mr. Countryman. He set the leg, put on starch bandage and light splints, put the colt in slings for a few weeks, made several visits, &c. Today the colt is running about all right. The leg is healed solid, straight and of the same length as the other one, and no lump on leg whatever. People should not destroy animals suffering from broken leg, but send for Mr. Countryman at once.
MOSES BARCLAY, Somerset Township Mr. Countryman did Ridging castration for me. The operation was skillfully and quickly done, and the animal lived and did well. He also did other veterinary work for me. He is read up in the anatomy and practice of Veterinary Medicine and Surgery. Mr.
