"I had almost newspapers are loud in their warnings that Chanic Dyspepsia the temper of the public will no longer per-My digestle being very bad, and I was mit the delay in the purification of the founken don from overwork so that I could tains of justice. The New Delta says : "New not sleep ulits. But my stomach is now in Orleans is not in a mood to be trifled with. perfect concion, and for all the above benefit

We would greatly deplore a re-enactment of the scenes of March 14, but on that day the people were destroying not individuals, but a system, and they are determined that that system, in all its offshoots and ramifications, shall be destroyed by legal and judicial methods, if possible, but destroyed." ...

Russla's Brutal Methous,

New Yong, May 31 .--- The London correspondent of the Times cables : People in the get such legislation as they expected. Their | United States can get only an imperfect idea interest was centered in the Taggart of the extent and brutality of the persecubill. What has become of it is too well tion of the Jews of Russia. England ordiknown to need repetition. The Road bill narily thinks of Rassia as a remote country also went by the board. However on the as- but the fact is it is only 30 hours from Lon amption that half a loaf is better than no don to the Rassian frontier, and a sense of bread, they believe the Boyer revenue bill personal contact with those mediaval barwill greatly pelieve them. They are also barities is begining to stir in men's mind-

Berlin is of course vastly nearer. She may and game bills were introduced, but few of indeed be called civilization's extreme out them felt the scratch of the Governor's post, and already she is overwhelmned by the advance wave of the flying Jews, driven on a day's notice from their homes and Pattison's appointees for State Factory In- swarming westward without money, friends atendent of Public Instructor any knowledge of where they are or an enlivening feature of the closing hours of stories reach us of the condition of these held the Governor and the Republican lead- nothing but the tales we ourselves have road of settlers arriving breathless and half na-Along towards daylight the Conference ked in some western town after hair-breadtl. Committee's report on the World's Fair bill escapes from the sweep of prarie fires, and was passed by both Houses. It provides for | this, mark you, is only the little beginning thirty commissioners, to be appointed by the | of what Russia savagely swears shall be

Nearly Well Again.

Spring Dress NEW YORK, May 31 .- Secretary Blaine took two outings to-day, a drive through Central Pork in the forenoon and one in the afternoon. Mr. Blaine was accompanied by Mrs. Blaine and Mrs. Damrosch. All the arrangements are now completed for the journey to Bar Harbor, but just at what hour the party will leave or what route will be taken has not been announced. This even-Blaine was almost as well as ever.
