

A CHRISTMAS JINGLE.

Oh! Do you hear the tinkling of the bells,
As on the midnight breeze their music swells,
And do you hear the tinkling of the bells...

THE PRINCE'S RETURN.

A few small dead leaves came rustling
down Happy Court, the wind had blown
them off the poplar tree in the corner...

Believed in Fair Play.

"I was new in the business and as
ambitious as Caesar. I would tackle
anything, and like most lawyers in the
early stages, I had no trouble in
convincing myself that my client was
right and the other fellow aascal."

In Memoriam.

At a regular session of Sipesville Castle
No. 378, K. G. E., held December 3, 1891,
the following resolutions, relative to the
death of Mrs. Melissa, wife of brother Jacob J. Pile, were unanimously adopted.

Do Not Put Money Back of a Fake.

Wise men don't put money back
of a fake.
And a faking doesn't pay.

La Grippe Again.

During the epidemic of La Grippe last
season Dr. King's New Discovery for
Consumption, Coughs and Colds, proved
to be the best remedy. Reports from the
many who used it confirm the statement.

Do Not Protection Protect?

Certainly, in one instance, it does.
Blood-scurvy is the great protecter
against the dangers of impure blood, and
it will cure or prevent all diseases of
this class. It has well won its name of
the best blood purifier by its many
cures.

May Go to the Halter.

JOHNSTOWN, Dec. 13.—At 6 o'clock last
evening Richard Coburn finished hauling
a load of household goods to the farm.
He was sitting up a new house, where he
intended to take his bride after marriage
next week.

Struck Dumb Instantly.

FRICK, Dec. 10.—It transpires that
Frederick C. Leonard, of Fairbank, Del.,
was stricken dumb in an instant with heart
disease at the railroad station here on Tuesday.

Confidence!

Yes, public confidence, that's the keynote
of our successful advertising. The
day for fooling the public is past, and we
wouldn't do it if we could. Consumers
are never "foolish" when they buy Klein's
colored "Silver Age" or "Dunsmuir"
Liquors. These famous brands of absolutely
pure whiskey are now known and sold
everywhere from the Atlantic to the
Pacific slope. Every day swell the long
list of customers. Why? Because the
whiskies named stand solely on their
merits. Leading physicians all over the
land endorse and prescribe them—pretty
conclusive evidence that the goods are
just as represented—the purest and best
obtainable. A poor whiskey is never
cheap, but always injurious. You take
no chances in ordering "Silver Age" or
"Dunsmuir," which sell respectively at
\$1.50 and \$1.25 per full quart. Packages
expressed anywhere. MAX KLEIN, No.

How Helen saw Santa Claus.

In the dining-room was a register which
opened and shut like a door, and when
it was open it made the best kind of a
place for Santa Claus to come through.
Right beside it Helen's small stocking
was hung on Christmas Eve, and, for
fear it might not hold Santa would
bring it, it was put over a chair.
