## Out of the Question.

## "The kind of girl I shall marry ?" ques

tioned Harry Jackson, of his nearest triend.

"Why, yes, I know just as well the kind of girl I shall marry as if I were engaged to her now."

And he half closed his eyes and leaned tack in his chair.

" She must be tall and graceful, a per fect hosters, one who is eminently fitted to sit at the head of my table and entertain my guests. She must be bright, of ready wit, but not all intellect - deliver me from a waman who is all brain-abs must be an accomplished linguist, and know about art and music-in fact, anything that makes a woman a social suc-COM.

" Of course I want her to have a good disposition ; I shall not have to marry # woman for money, for 1 have plenty of that. I want some one to grace my bome. Alf course a woman who has done anything toward her own support would be out of the question !"

Foster's Plight.

Secretary Faster's trip to Europe has caused much speculation, and the reason has finally leaked out. The Secretary is threatened with heart failure and has been notified by the physicians that his only safety lies in his immediate withdrawal from the Cabinet, or the turning over of all his official duties to one of the Assistant Secretaries.

Eversince the attack of grip which prostrated him in the early winter his pulse has been so high and his heart so irregular that the physicians treating him have expected a collapse to occur The doctors agree that the trouble is the result of excessive tobacco smoking, but the Secretary will not consent to give up. the habit altogether and, indeed, he has hardly moderated in this respect.

Within the last week Secretary Foster has been convinced that he is bordering on the condition which brought such a tragic end in the case of Secretary Windom- He resolved to go abroad for a short period of rest and also for the pur pose of consulting European Specialists. In the meantime it is feared that he has already delayed too long, and may be compelled finally to relinquish the port-
