er attempt to steal the State.

THE Democratic Congress which objected to buying soap for the West Point cadets, has appropriated \$20,000 for extra committee clerks who have nothing to do but swell the patronage of the Tammany doorkeeper. The Democratic party always has been opposed to soap except when it could be used to grease the wheels of corrupt legislation.

THE Republican convention of New York will be held at Albany April 28th, to select four delegates at large to the party has promised to do since 1860? National convention. There is a movethe State, and when they pull together these acts were so many and so great very had reputation. as they did in 1888, they make a very that the people would not permit one of strong team. Few States can boast a big them to be repealed. In 1884 it began to four which have so many resources and promise to repeal all protective tariffs. know how to " play politics" better than And in 1802 it is hesitating between a these men who will represent New York. | promise

has given Republican majorities in Pres- ment. idential years of 60,000 and 78,000, and which gave to General Harrison nearly 32,000 majority in 1888, is not a doubtful State in the coming national contest. The strong words in which the resoluministration have all the more weight in the absence of any instructions to the designes to the National Convention.

gerrymander which allows 171,000 pecple in Democratic districts to elect a the Congressional districts to the cities | Association, in which he said : of New York and Brooklyn, and will en-34 districts. The Mugwamps of New York, however, can see nothing wrong about the bill because they are not near sighted. They cannot see corruption at Oney Democrats in the senate. But for Senator Quay, for his intelligent and effective work as a senator in promoting the passage of the McKinley bill. But for his courageous stand at a critical juncture the bill might have been talked to death by the Democrats in the senate. But for Senator Quay the McKinley bill would not now be a

CONGRESSMAN RAY, of New York, came down on the free traders of the House the other day, in sledge-hammer style, when he said in reply to a free trader when he said in reply to a free trader or his committee room, and he was always who had just preceded him on the floor: polite and kind to every caller. He had the weak in the joints that it had not a single pair on which it could stand alone. If anything were wanting to show that the Democratic party as a party was for free trade, the favorable report of the free wool bill had supplied the proof.

days and during the weeks of debate in the senate which preceded them will be remembered with gralling by representatives of the glass interest, the pottery interest, the iron and steel interests, the textile interests thought of this until Thesday morning, when the Pittsburgh papers came out with the license. In the evening the people gathered to give the couple an old-fashioned servered to give the couple and the pattern to present the party and the evening the people gathered to give the couple and other to present the proof. free wool bill had supplied the proof. The cry of the party was that it wanted free raw materials, and wool was classed by his Democratic friends as raw material. They absolutely ignored the fact that eight-tenths of the value of a pound of wool represented human labor and ekill, and that when they imported wool free of duty, American farmers and laborers were the sufferers."

NEARLY every State in the Union now holds its election in November. Rhode Island is the only exception to this rule which can be claimed as at all doubtful. politically speaking. Its election will occur the first Wednesday in April. In that they are urging their party friends in that little State to rally. The moral effect is what they want. The State may be pivotal, albeit its total electoral college vote will be only four.

Ready to Drop Out of the Race.

The N. Y. Econing Telegram says that notwithstanding all that is said about the anslety of Mr. Cieveland to be renominated for the Presidency, " the Telegrow is in a posttion to a monner, on unimpeachable author-

"No one but Mrs. Cleveland knew of the President penned it without the knowledge

"On the very day that the declination was to be published Mrs. Cleveland saved the situation by sending for one of the lender's most trusted friends.

"To this gentleman Mr. Cleveland frankly confessed that he was sick of the littleness and bickerings and insults that daily infringe upon his private life: that he had not lifted so much as his little finger to secure a nomination, that nothing would induce him to enter the race, and that he had plainly said so in a letter that could be print-" After a few minutes' conversation Mr.

Cleveland's friend induced him to promise sociated Press for twenty-four hours. Word ADMINISTRATORS', NOTICE. was sent to several of the most faithful and level-headed Cleveland men, and a council at last persuaded to withdraw the letter."

the elections under the new ballot law from a firm in Marietta. The commissioners expect to have a sample of the election apparatus in their office inside of a couple of weeks where people visiting the office can learn the ntricacies of the Australian ballot system

A Great Event

In one's life is the discovery of a remedy for some long-standing malady. The poison of Scrofula is in your blood. You inherited it from your ancestors. Will you transmit it to your offspring? In the great majority of cases, both Consumption and Catarrh originate in Scrofnia. It is supposed to be the primary source of many other derangements of the body. Begin at once to cleamse your

Ayer's Sarsaparilla "For several months I was troubled with

scrofulous eruptions over the whole body. My appetite was bad, and my system so prostrated that I was unable to work. After trying several remedies in vain, I resolved to take Ayer's Sarsaparilla, and did so with such good effect that less than one bottle

Restored My Health and strength. The rapidity of the cure as-

tonished me, as I expected the process to be long and tedious."—Frederico Mariz Fer-nandes, Villa Nova de Gaya, Portugal. "For many years I was a sufferer from scrofula, until about three years ago, when I began the use of Ayer's Sarsagarilla, since which the disease has entirely disappeared. A little child of mine, who was troubled with Ayer's Sarsaparilla

DR. J. C. AYER & CO., Lowell, Mass. Sold by Druggists. \$1, six \$5. Worth \$5 a bottle.
