An Unusual Case-

LANCASTER, June 24 .- An unusual prose ution has been begun before Alderman Halbach. Henry and Emory Diffenbach are father and son, and own adjoining properties. There has been a dispute about a drain between their lands, and on Sunday the son did some work on this drain. This greatly angered the father and he sued his son for violating the law of 1794 by doing unnecessary work on Sunday. On account of the relationship of the parties the case has caused quite a sensation, both being well-known and prominent in the section of county where they live.
