Labor. All work guaranteed. Look at | T will pay you to examine the QUEEN CINDERELLA RANGE I fore you buy. It has all the latest improvements, and is said as my stock before making your purticed to be a good baker. It has the direct draft damper, by which can have a fire in one-half the time required with the ordinary har This is a valuable feature when you want a quick fire for early less IT has an extra large high oven, thoroughly ventilated. The in of inflowing and outflowing air can be regulated at will: that a perfect baker, and no burning on the top. It has the Tripley algrate, which is the perfection of convenience and cleanliness. It is pecially durable, having three separate sides, or the advantage of the grates in one, and not easily warped by the action of the fire.
