At the close of the meeting the audience where they were introduced to Governor Coulmbus Day Proclamation. Superintendent of Public Instruction D. J.

Waller has issued a circular to school direct-

ors, superintendents and teachers, calling upon them to observe Columbus Day in Harrison and Governor Pattison, fixed Friday, October 21, as a day to be observed in the celebration of the four hundredth annithe Government of the United States is behind it, and that Government has for its security its own boults, which are at a premium in every monetary market of the world. Our money should be as National as over the foreign and capture the foreign market. Why, they have got free raw materials for the schools should open as usual. Taken in execution and to be sold as the pragram of caroline w. Mor gan, his wife, at the suit of Henry P. different manners of the caroline in the hereditaments and apparatuses. Taken in execution and to be sold as the pragram of the suit of Henry P. different market. They may afterwards unite in any of or all the exercises of the day. In addition to the exercises of the day. In addition to the tariff law of 1800 any citizen of this country exercises by the pupils, he recommends ad-

Winchester, Colt. Marlin, Remington and J. B. HOLDERBAUM.

The Cooley gang came out of their hiding our own laborers and fellow-citizens for the alien and the stranger. Free Trade or a revenue tariff, such as is advocated by the Democratic leaders and is proclaimed by them in speech and press, would make everything free in this market which competes with what we produce in this market, because they are against protteion in every form and would tax only those foreign docts would be increased. Let us refer and to be sold as the property in the house the outlaws produced a lighted lamp and held it at the feet of their victims in turn until the knowledge they desired docts would be increased. Let us refer and to be sold as the property in the house the outlaws produced a lighted lamp and held it at the feet of their victims in turn until the knowledge they desired docts would be increased. Let us refer and to be sold as the property in the house the outlaws produced a lighted lamp and held it at the feet of their victims in turn until the knowledge they desired docts would be increased. Let us refer and to be sold as the property in the house the outlaws produced a lighted lamp and held it at the feet of their victims in turn until the knowledge they desired docts would be increased. Let us refer and the property in the house the outlaws produced a lighted lamp and held it at the feet of their victims in the house the outlaws produced a lighted lamp and held it at the feet of their victims in the house the outlaws produced a lighted lamp and held it at the feet of their victims in the apparts making was nothing in allows.

Taken in execution and to be sold as the property of A. W. Walter, at the suit of Harrison (dee'd, fernardy and the house the outlaws produced a lighted lamp and held it at the feet of their victims farmer would be benefited by a revenue tarform and would tax only those foreign ducts would be increased. Let us refer again was extracted from them. One of the robproducts which have no competition in our to our own history. From '46 to '64, dur- bers got a rasor and flourished it above their own markets and which we cannot produce | ing the entire revenue tariff period, we ex- prisoner's heads declaring that he would cut among ourselves. Protection imposes its ported 65,440,173 bushels of wheat. We ex- their throats if the money was not forthtariffs upon an exactly opposite principal, it | ported in a single year under protection, that | coming. None of the gang were recognized. permits everything to come into this country, except inxuries which we cannot produce at home, and puts its tariffs unpon those products from abroad which come into com
