worthy the name of teacher, he will do more and better work than if left severely alone. Only barm and mischief can come from indiscriminate fault-finding and complaining. Directors have a joint official interest in the success of every school. With the citizens, they can greatly aid and encourage the the bank and learned that Scott had no monteachers by frequent visits to the schools, by ey on deposit there, and he never did have words of commendation fitly spoken, by Samuel J. Fitt, of Milford township, and timely advice kindly given, and by a hearty interest and co-operation in all local institutes and educational meetings.

OBSERVE COLUMBUS DAY. Friday the 21st of October presents a specgether the patrons and friends of the school. This is indeed the chief object, to bring together the people and the schools to profit by and to enjoy this great national holiday Let the people everywhere lay aside their regular work and spend the day or at least a part of the day with the district school in the forenoon, each school should meet in regular session with such exercises in connection with the regular school work as each teacher may deem best spited to his chool and people. In the afternoon a special program should be provided, and such as will not only interest the pupils, but will invite the people generally. Where it is convenient churches or halls may be used and schools united. Let teachers write to Francis Bellamy, Boston, Mass., for a copy of the official program. This with education al journals, will suggest the kind of pro gram to be used. Let directors, ministers and other friends of the schools be invited to take part in these exercises. Let the national flag be displayed and the national songs be used in every school. If the day is pleasant, outdoor games and amusemen should not be forgotten. Where it is convenient evening meetings of a patriotic and educational character should be held. With these suggestions in addition to others already made, it is boped every school in Somerset county will have reason to rememher Columbus Day as a pleasant and profita-
