PEARL BUYER IS TOSSED INTO THE SEA AS FOOD FOR IT. A Traveler Tells a Story of What He Saw

Dapper Young Buyer and the Rascally Parsen Merchant. A wild sea was running high in the runs high there, and in the last two miles must always be made in surfship Tigress dropped anchor and ran up strange oaths such as are used to exhort

her signal for the boats, great angry waves were bowling along before a fresh | layed passengers were bathed in sympait hard to keep dry. Among our passengers from Ceylon

at Madras to go overland to Bombay. not know how to take care of them. Be of dissolution the canalboats were pushed fore he had been on board a day he had up against the wharves where they betold me all about his lack in Ceylon and had shown me his entire assortment. One of the pearls was simply gorgeous Had it not been for a faint dot of blue upon one side it would have been worth a small fortune. He was delighted with my appreciation and enjoyment of the stones, and he showed me his treasures was not, however, through any particuwas a Parsee, who was forever going as. Some of these ought to be selected between Ceylon and Madras, for what

purpose I could never discover, though had met him several times.

man to find him making a most intimate friend of the fellow. Together they stepped down the lad-der to enter a surfboat as we neared Madras. The young man went down first with his case of precious pearls in to the boat when he paused and spoke

come by another boat; I will meet you He gave the surfboat a push with his foot and began to climb the ladder. A sailor who was standing by me

to its black captain.

"There's a shark in the surf vonder." But instead of looking away over the water he looked directly down upon the Parsee and then at the young pearl man. Of course there was a shark in the surf. There are always sharks in that surf, but to me the sailor's sentence

moeaut something more than that. The Parsee simply walked behind the galoon house, stood there two or three minutes, then left the steamer by another boat. My curiosity was thoroughly proused. Glass in hand I watched the two bosts, a quarter of a mile apart, still wondering what the sailor meant by er. Usually, in persons of good health

Presently one of the great waves lifted | blotch appears in the skin proportionate the first surfboat, but instead of taking | in size to the animal by which it is inthe usual advantage of it to dip their | flicted, rarely exceeding eight or ten cars and pull I distinctly noticed the | inches in diameter. An intolerable boatmen sitting like statues. The al- smarting sensation is produced which remost naked fellow standing in the stern, mains ordinarily about half an hour, with a long our to guide the craft, suddenly leaned upon the oar, and the boat a nervous or sensitive person when stung turned, was caught broadside on the wave and the next instant was capsized. I saw the passenger, with the pearl case being on fire. atill in hand, plunge head first into the In some case

Like so many cels the black boatmen wriegled about in the water till they righted their boat, then clambered over the side and began to bail it out. Not one of them seemed to give a thought to their passenger. The next moment a piercing shrick

sounded even as far as our steamer, and to my horror I saw the young fellow's body lifted out of the water not ten feet from the surfboat. It made one whirl in the air, disclosing the head of a thark holding it across the back, then As the next boat passed the place I

saw the Parsee throw something overbourd that left a white spot on the water, which remained as long as I watched it, convincing me that it was a buoy of some sort set for some purpose. A few days later we were anchored in

the Hoogly river, off Calcutta. I was wasking down the principal English thoroughfare when I saw the Parsee emerge from the door of a lapithary. He evidently recognized me, but he turned quickly in the opposite direction and walked away.

"A shark in the surf," I muttered. and with only a vague idea half formed in my mind I entered the shop and in-

quired of the dealer if he had an assortment of pearls on hand. "How for unste?" be exclaimed. "! was never so low as this morning. Pearls tre in very great demand. But I have just purchased a large lot of the finest searls I ever saw. I purchased them kery low for cash, and I cannot only

give you the first choice of this magnificent collection, but a great bargain berides. They are beauties! Yes!" "Yes," I replied, "they are beautiesspecially this one with a dot of blue t you one side. Too bad that it has the

I knew then why the Parsee went town to the surfboat and spoke to the captain, but went ashore by another boat. I knew why he left the white peaks occupying the center of a mounbucy in the water.
