We have just received a handsome line of

numbered by the hundreds.

Who Gets the Plums Just about eight years ago, on one of the blenkest days of November, the Democracy of Somerset county assembled in this place o celebrate the victory of Cleveland and Hendricks. Faces were seen upon the street of this town that day that had rarely been seen here before and had evidently been attracted by the Jacksonian cry, " To the victors belong the spoils." They could hardly believe the strange

sound of victory that filled their ears. Many of them construed it as a call to office. After spending a large portion of the day in services will be held in the Presbyterian Harris was an unusually ardent lover. It is a howling blizzard, cheering for Cleveland, said that during the lifteen months' pastorate gorging themselves with sections of roast or. of Marris he had courted at least a dozen and incidentally promises of "soft snape" in the government service, they were too full But the ides of March had hardly waned ere they discovered that there were "too

The Vedette is the result.

The HERALD has frequently had occasion to say that Major Tredwell is one of the nost versatile newspaper writers in this part of the State. As a candidate for the post office he has many elements of strength. He comes from a family who date their copperriveted Democracy back to the origin of that party, several of them having occupied high positions in the National councils of the party. Of those now living two or three are Democrats of National reputation. Then, too, Major Tredwell has an excellent military record. When the first call for troops was issued he was a youthful barrister in the city of Lancaster. Closing his ny, the first to report at Harrisburg and offer its services to Governor Curtin. Later on the Major recruited a company in Favette and Somerset counties. He served with distinction throughout the term of his ensoldierly bearing. Colonel Andrew Stewart. on whose staff he served for a period, says
