the teachers to order. There were no floggings, no impatience, no excuses, in short sume this is an ovidence of Democratic free nothing to ruffle the temper of the teachers though the institute had been in session for day morning. This is believed to be the larg- the past air weeks. Supt. Berkey said that est attendance to the history of our county it had been the custom for many years to open institute with singing that good old at every session but owing to a wise provis- hymn "All Hail the Power of Jesus' Name." ion on the part of the Superintendent the The refrain was at once taken up by the vast assemblage and sung with great vigor. Rev. Harkey, of the Somerset Lutheran Church, then read 25 Matt., 14 to 31 verses. He followed the scriptural reading by an earnest and fervent prayer asking that God's richest blessings might fall upon the teachers and assist them in receiving the instruction prepared for them, so that at the close of the week they might return to their labors better qualified to perform the duties before them and to more actively labor for the welfare of the children intrusted to their care.

At the conclusion of Mr. Harkey's prayer, Supt. Berkey addressed the institute briefly. He said fellow teachers it affords me great always been so freely extended on former ridge Belts. Both sides are stripped to the waist, and Sheriff's Office, 1 ISAIAH GOOD, Sheriff. ach is confident of besting the other. The" uncle" of the Descent comes out in wants " to break, if possible, the unbroken phalanz of the unswerving and united De-

Meanwhile the new Democraticorgan, the Vedette, rips its party organization up the be selected from among the Democrats resident of the county seat. The Velette also takes occasion to boost the Central Democratic Society, presided over by leader Fisher.

The Coffroth wing have putting on a bold please call and examine our stock before be selected from among the Democrats resi-

The Coffroth wing have putting on a bold ther front, but they can't disguise the fact that upon the work of the thirty-sixth annual variety at J. B. Holderbaum's Hardware be taken as an indication that he is taking advantage of every means to restore his and Philadelphia during the past ten days. The object of Mr. Uhl's visits are believed to have been for the purpose of assuring the settlement on Saturday. December at the office of John H. Uhl, Esq., in Som State leaders that the General has "done penance" for opposing them at the last Harrisburg convention and is ready to carry out their beheats in the future. Mr. Uhl, spat apon his bate in the most approved piscotorial style, but even then it is feared that it was not vary tempting, since there are no fish to catch in Somerset county, excepting a pair of alternates. (The delegates never are allowed to go to conventions)

> In some quarters it is believed that Mr. Uhl had another object in view. It is intimated that he considers himself about the proper sized Democrat to fill the pension agency for Western Pennsylvania, and that EXECUTORS' AND ADMINISTRAhis visits to Marrisburg were for the purpose of seliciting the influence of Private Secretary Tate, who is close to the ear of Secretary Harrity, and being a resident of this Congressional district will probably be consulted about all appointments that are to be

Leader Fisher seems to think that the fime has arrived for him to "same nix" How EXECUTORS' NOTICE. long he will continue to think so no one He opens fire on the skirmish line and keeps it up after the battle is declared off. It is said of him that he does not know when he is whipped but keeps on fighting. He is now engaged in the higgest political battle. now engaged in the biggest political buttle of his life and if he does not come out victorious it will not be because he has not got his lines perfectly formed. On the result of the present fight depends all he has been | Estate of Samuel D. Yoder, late of Paint town

Mr. Fisher's career in Somerset county the field of battle, as was believed at the time, fatally wounded. His youthfulness y and with less expense on the Cinderella and indomnitable will refused to succumb A UDITOR'S NOTICE. May be done more easily, more convenient- combined with his vigorous constitution Range than with many others; all the old to old Mr. Death, and in due course of time objections to ranges removed. It will save he was released from the hospital. Being you time, money and hard work. It is a unfitted for military duty, by reason of the good baker and is sold with that understand- four perferations made in his body by a ling. Sold by James B. Holderbaum, Som rebel minule ball, he was honorably discharged from the service. Then Mr. Fisher drifted to the Pacific slope and roughed it in the gold mines for a number of years. He is worth probably ten millions of dollars now. The flock masters of Ohlo are already and finally was compelled to abandon Call-Eastern people should get cheap muiton only met with moderate success in the mines astitution. The father was a long while in sey, Carroll, Morrow and other wool grow-ceived in the army. Before reaching the finding suitable surroundings for his son ing counties in the past week than in any East his infirmaties increased until he was Estate of Second Augustine, late of Upper Turk entirely disabled, and it was only after spendsion, but before his application was acted upon he became dissatisfied with the regu-Go to Mrs. Uhl's for Fur Capes, Muffs and lations of that institution and came to Sem-Fur Setts for Ladies', Misses' and Children, erset where he engaged in business. He hardly took time to renew his acquaintance with the bors of his youth before he com-

menced to take an active part in local Densteachers without this thought: How differ- Sold by James B. Holderbaum, Somerset, eral times and finally, making up his mind to have somesay in the party councils, and being forthwith turned down, he concluded to set up shop for himself. While he has not been able to dominate over his party good wages at Moxham, Cambria county, as a "boss," he has made it mighty intercating for the fellows who have. A little less than a year ago, if our memory serves SHERIFF'S SALE. rized eminence, that he had helped "to down two boses in one day." The fraits of that victory have not yet materialized, and it remains to be seen whether any will drop into his backet, when the court of the Court house, in Somerset Courting the Court house, in Somerset borough, on us correctly, he proclaimed from an improinto his backet when the smoke of the im-

pending battle has blown awar. Fisher's place of business is convenient to the post office and it is hinted that he has at 1 o'clock P. M., the following described real had his eye on it constantly since the elechad his eye on it constantly since the elec-tion, as if he were keeping tab of the pat-tion, as if he were keeping tab of the pat-Koeher of, in and to all that certain tract of land but it is probable that he would not pro-claim it from the house tops even though with two orchands of fruit-bearing trees on the Fail of the Leaf.
