> Mr. Herman Hicks Deaf for a Year

Catarrh in the Head Catarrh is a Constitutional disease, and requires a Constitutional Remeny like Hood's Sarsaparilla to core it. Read: "Three years ago, as a result of catarrh, I entirely lost my hearing and was deaf for more than a year. I tried various things to cure it, and had several physicians attempt it, but no improvement was apparent. I could distinguish no sound. I was intending putting myself under the care of a specialist when some one suggested that possibly Hoody Sayasparith would do me some good. I began taking it without the expectation of any lasting haling it without the expectation of any lasting help. To my surprise and great joy I found when I had taken three bottles that my hearing was returning. I kept on till I had taken three more. It is now over a year and I can bear perfectly well. I am troubled but very little with the enturn. I consider this a remarkable case, and cordially recommend

Hood's Sarsaparilla to all who have catarrh." HERMAN HICKS, 30 Carter Street, Rochester, N. Y. HOOD'S PILLS are purely vegetable, and 4a
