Entitled to Confidence,

More Justice and Less Law.

There is getting to be too much foolishness about the courts, anyway. Smart lawyers are continually taking advantage of the law to shield open violaters of the law and Judges permit it. A lot of sensible men, who don't know a mandamus from a nebular hypothesia, should be elected judges, with instructions to laugh at the sbystering practitioners when they tried to shield "well-known criminals." A little more justice and a little less law is needed in the criminal
