Bosocous and township nominations should be made permetty this year. Ms. Blaine still lives, but his vitality is slowly and manifestly diminishing,

THERE is one industry that Grover Cleveland is determined to snub. He has sat down squarely on the Cabinet-

THERE is a movement on foot to secure a reunion of the Grant delegates to the . National Republican Convention, which met at Chicago in 1880, who voted continuously for General Grant to the number of 306. The reunion will take place on Grant's birthday, April 27.

Is the death of Benjamin F. Butler, which occurred suddenly at Washington on the 10th instant, the country loses one of its most unique and interesting citizens, one who will be a picturesque figure in American biography, and occupy a somewhat prominent place in the history of his times.

CLEVELAND goes to protest and Murphy goes to the Sanate. But on and after March 4 Hill and Murphy may want ring and will have to stand up and fight. It is a family scrap in which Republicans are only spectators.

Kassas is in the thross of a revolution. A Copulist minority of the Legislature | we venture the prediction that the report has organized the Lower House and been | will increase Mr. Scall's majority over recognised by a Populist governor. The | that returned for him, thereby making it Republicans have a clear insjority, but the only case on record wherein the mathe Governor threatens to remove them jority of the person whose seat was conby military force. The result is looked tested was increased by reason of the for with intense anxiety.

The most effectual way to stop immigration of all sorts is to repeal the Mc-Kinley tariff, and enact in its stead one House. framed in accord with the Democratic platform. That would soon make this country so blasted poor that nobody would desire to come, and the gates of Castle Garden would swing outward with the crowd going the other way.

Taxbill now before Congress proposes to repeal the Sherman not and coin all thesilver on hand, amounting to \$170,-000,000. The New York Sun, commenting upon the bill, says: "There is an old fable of a bear which, to kill a fly that he saw upon his master's forehead, smashed it with a paving stone. The fly was effectually disposed of, but the man's skull was crushed in the operation."

THE Westmoreland county Commissioners were in a dead-lock for a week over the election of a solicitor, both Democrats on the board having a candidate. On Tuesday they solved the difficulty by electing two attorneys. This is a great scheme. Whenever dead-locks occur hereafter this plan for breaking them can be put into operation. The only trouble is about the salary. When the Commissioners come to pay two persons for one man's work the public may ch-

THE inaugural address of the Populist of that owned by the poor and created by the aid of their labor. The report comes from Kansas that the Populist Governor's extreme views created considerable unessiness, even among the members of his own party.

Governon McKinley has no apology to make for protection. His speech before the Ohio wool growers on Thursday was inspiring and confident. His ringing declaration, "I do not believe in giving up the fight after one engagement whelming sentiment of the Republican party. The steadfast charapion of protection bases his advocacy of that policy on the only foun lation bons I enough to lend it stability and permanency. Gov-American interests, and is unalterably opposed to "having commodities free at one end of the factory and tariffed at the other end." If Republicans firmly coming free trade experiment the fature | workmen of protection is secure.
