or, cherries and all kinds of berries and

small fruits, from year to year, as fresh and sweet as when first taken from the trees. Will keep all kinds of vegetables equally as well, by the new California old process of canning fruits and vegetables, you can put up a bustel of vegeta-bles in twenty minutes, and coses almost nothing. No standing over a hot stove reasting your life out in order to get your

When in LOH supply of fruits and vegetables put up for winter use. You simply gather your fruit and see that it is perfectly clean, then put up according to directions in the receipt, and you have it for use on the table every day in the year as fresh and nice as when taken from the trees or vines, any family using the California cold process of canning fruits and vegetables, can save from five to fifteen duliars per year. It does superior trees, vines and plants thoroughly throughout the county. We have a complete assortment of fruit and ornamental trees for sale, including and ornamental trees for sale, including pears, apple, peaches, plums, strawberries, grapes, in fact everything in fruit and ornamental line. Before placing your order elsewhere, send us a list of what you want and we will quote your every want, and guarantee our stock to be strictly firstclass. Any person purchasing trees from us that do not prove so, send them back and we will refund price used for each artiefe that is not as represented. We are also agents of this county for Mape's famous brand of complete fertilizers, which according to the governmet's analysis, is one of the highest grade fertilizers made in the United States. If you wish to mise large crops try it and you will never use any other. Write for pamphlets and price list. Address G. W. & H. B. KENP. Nurserymen, Harnedsville, Pa.
