Mone Labor. T will pay you to examine the QUEEN CINDERELLA RANGE I for you buy. It has all the latest improvements, and is sold reteed to be a good baker. It has the direct draft damper, by which can have a fire in one-half the time required with the ordinary R. This is a valuable feature when you want a quick fire for early lead IT has an extra large high oven, thoroughly ventilated. The win of inflowing and outflowing air can be regulated at will; this is a perfect baker, and no burning on the top. It has the Tripler out grate, which is the perfection of convenience and cleanliness. It is pecially durable, having three separate sides, or the advantage of the grates in one, and not easily warped by the action of the fire.
