SCHMIDT BUILDING The best only the best materials

lumber, brick, lime, cement, sand-whatever goes into the construction of a building: they employ only the best workmen and pay the best wages; they get better prices for their work than their less careful competitors, and always get the best contracts; they paint their work with Strictly Pure White Lead

nanufactured by the "Old Dutch Process" of slow corrosion, and with one of the following standard brands: "Armstrong & McKelvy" "Beymer-Bauman" "Fahnestock"
"Davis-Chambers"

For colors they use the National Lead Company's Pure White Lead Tinting Colors. These colors Colors. These colors are sold in small cans, each being sufficient to tint twenty-five pounds of Strictly Pure White Lead the desired shade. These brands of Strictly Pure White Lead and National Lead Co.'s Tining Colors, are for sale by the most reliable dealers in palata If you are going to paint, it will pay you to send to un for a book containing information that may have you many a dollar; it will only cost you a postal card to do so.
