I have consulted physicisus and had medicine from New York, Cincinnatti, Ohio and Toronto, Canada, and finally concluded that her case was incurable, but noticeing your advertisement in the Oakland papers I decided to give it a trial, and my wife has now used a half a bottle of Mayer's Magnetic Cure, and it has done her mere good than all the other medicines that she has ever tried for catarrh. She thinks that the remainder of the bottle will complete a permanent cure; I can see a great change for the better in her case, and any person troubled with catarrh, I would advise them to give Mayer's Magnetic Catarrh cure a trial.
