Berlin, Pa., June 5, 1890. A Circus Wrecked. Last Tuesday night the train conveying

Main's Circus ran off the track of the Tyrone and Clearfield railroad, a few miles north of the former place. The accident was caused by the breaking down of the front car, on which were some of the elephants, all of the cars following except three sleepers, being thrown off the track and piled in an indiscriminate heap. The destruction was terrible. Six men

were killed outright, and many others injured, some dangerously. Some fifty horses were killed, many

wounded, and all the animals of the menagerie set at liberty. Of the latter, the elephants and camels were not hurt and were Mr. Howells' latest novel, "The Coast of easily captured; but lions, tigers, hyenns,

well and without noticeable embarrassment. brightest piece of work that Howells has cows. The tiger sprang upon a young Jersey, quickly killing it. Mrs. Thomas ran in the utmost terror to the house and alarmed her husband, who came out and shot the
