Geometa has Hoke Smith and 30,000 acres of watermelous. What more can a prood and prosperous public desire?

hunter, when he sets the other fellow walking off with the pie.

The Pension smashers are cachling loud and long over the discovery of two "fraudulent" pensioners, one drawing \$12, and the other \$4, per month.

It looks as if Headsman Maxwell is beginning to weary of well doing. His daily average of one hundred heads per bly produce widespread disaster. day has dwindled down to about sixty.

It is charged that the Democrats favor their hungry bummers, who are sadly in need of an income.

What is so rare as a day in June? Nothing, except the rare fun of a Democratic shindy at a Somerset county primary election, where the only essential thing in controversy was-who is bees ?

THE "Fat Prophet," as the New York Sau christened President Cleveland, is growing so obese that it is troublesome to walk, and he has been constrained to adopt a rigid system of dieting, discarding all liquids with his meals and confining himself chiefly to a vegetable diet.

COUNTERFEITERS are reaping quite a harvest in the manufacture of the World's Fair souvenir half dollars. They the coin maker is no small one.

The Populists and "tariff smashers" out west are beginning to note the fact that in these good "Democratic times," which were promised when Cleveland got into power, wheat is selling lower than it has for the last thirty years. "Knocking cut" the Republican party hat temperature in this section. Iron river ing a clear title to property. To make the ing business for the farmers.

THE LOUISIANA Democrats are whining and assert that it will be "a great hardship to planters." Well, they helped to place in power the party that promised "to smash the robber tariff."

Now let them take their medicine little men.

The Somerset Herald mittee of the next Congress, has let it be His Voice Betrayed Him. MOSILE, June 15 -Twenty-four years sgo
