

FROM FARM AND GARDEN.

The great advance made in the science of dairying and in the successful breeding of live stock has been one of the main features of the exposition...

Every new idea relating to the agricultural industry is recognized and is demonstrated in the most practical manner...

The style of architecture of the Agricultural building is classical in character and is based upon the style of the ancient Greeks...

The interior of the big building is a city of pavilions, pagodas and kiosks. Foreign governments have sent their exhibits...

Foreign governments have sent their exhibits and private exhibitors have housed their exhibits in beautiful buildings...

housed their exhibits in beautiful buildings which occupy a large portion of the immense floor of the structure...

There are many novel ways of showing commonplace exhibits, and the ingenuity of the agents employed by the commission has been shown...

The display from foreign nations is especially large. The northern portion of the main floor is devoted to the displays from Great Britain, Germany, France, Mexico, Austria, Denmark, Sweden, Japan, Canada, Paraguay and other foreign products...

THE BELGIAN EXHIBIT.

Attractive Things Sent to Chicago From Leopold's Realm.

Works of Art Which Would Attract Attention Anywhere—Lovers Worth Thousands of Dollars?—Laid—Cape Iron Houses.

Small territory, but densely populated with a nationality that is mixed in race and language but homogeneous and strong in artistic proclivities...

It was the purpose of chief Buchanan to exhibit to the world the energy and culture of her agricultural population...

and the balance is taken up by the Belgium exhibit in agricultural products...

or weather. In conclusion it can only say that it will pay to carefully examine the Belgian section of the great exposition.

WOLF VON SCHIEBERLAND. WORLD'S FAIR NOTES.

The Children's building at the world's fair grounds has been formally dedicated.

Several new statues of staff are being put on the pedestals at the north entrance of the Art palace.

The first installment of the Isabella souvenir quarters will be received next week by the fair.

The beautiful drawing room on the second floor of the New York state building has received its finishing touches and is now open to the public.

Order to the failure of the firm under contract to furnish uniforms for the ticketmen and gatesmen will be sent this week to the exhibitors.

Some of the exhibits in the Belgium section are of great interest.

The mineral court of the Cape of Good Hope has been opened to the public.

The woman's board of managers of New York has adopted a pretty seal for the exposition.
