Speech Restored.

For five years I suffered with pain and discharge of the throat, backing cough, frontal headache, weak eyes, &c., at times; could not talk above a whisper lost weight continually, and not able to work. I was treated by the best physicians in the county, but received no relief. After giving up all hopes I was recommended to use a bottle of Mayers' Magnetic Catarrh Cure. After using it for four weeks my speech returned. All symptoms of catarrh have disappeared and "I feel like a different person."
