JUST COMMON FOLKS. A hundred humble songsters trill

The notes that to their lays belong, Where just one nightingale might fill The place with its transcendent song, And thus Fate comes, and with its smile A soul with lasting greatness cloaks And leaves a thousand cise the while

To be for aye just common folks. If only sweetest bells were rung, How we should miss the minor chimes If only grandest poors sung There'd be no humble little rhymes :

The modest clinging vines add grace Unto the Forest's giant oaks, And 'mid earth's mighty is a place To people with just cummon folks.

Not they the warriors who shall win Upon the battlefield a name To sound above the awful din ; Not theirs the painter's deathless fame. Nor theirs the poet's muse that brings The rhythmic gift his soul invokes;

That Juty gives just common folks. They are the multitudes of earth, and mingle ever in the crowd, Elbowing those of equal birth,

That sometimes a decree revokes, Above the lowly, 'neath the great, Are intilions of just common folks. Fate has not lifted them above

The level of the human plain; They share with men a brother love. In touch with pleasure and with pain, One great, far-reaching brotherhood With common burdens, common yokes, And common wrongs and common good, God's army of just common folks.

Harken to the tale of how fortune fell o the widow of "Busted" Blake. The outcome has shown that "Busted" was not radically bad. But he was wretchedly weak of will to reject an opportunity of having another drink with the boys, or with the girls, or with anybody or nobody.

There was a feeling of oppression about my heart, and I was afraid to draw a full breath. I couldn't sweep a room without situal down and resting; but, thank God, by the help of New Heart Cure all that is test and I feel like another woman. He he was a young and newly married architect, he was a buyer of drinks for others. Waiters in cases vied with each other in showing readiness to take his orders. He wit should reply to his whispered application for a small loan by pouring a halfglass of whisky on his head and saying :

Sod, by the help of New Heart Cure all that is past and I feel like another woman. Here fore using the New Heart Cure I had under different so-called remedies and been troated by doctors without any benefit until I was both discouraged and disgnated. My husband bought me a bottle of Dr. Miles' New Heart Cure, and am happy to say I hever regretted it, as I now have a spherible appetite and sleep well. I weighed 15 pounds when I began taking the remedy, and now I weigh 150; its effect in my case has been truly marvelous. It far surpasses any other medicine I have ever taken or any benefit I ever received from physicians."—Mrs. Harry Starr, Pottsville Pa., October II, 1882.

Dr. Miles' New Heart Cure is sold on a post-"I hereby christen thee 'Basted." The title stuck. Blake, through continued impecuniosity, lost all shame of it in time; lost, too, his self-respect and his wife.
