It is believed that Hese was the leading spirit and originator of the lodge and that through his conviction its back bone has been broken.

The net State debt now amounts to only \$2,500,000, or about forty five cents per cap! ta. This is State Treasurer Morrison's gratilast week, but the criminal was not captured | fying assurance, and the account can be called square all round in two years should the crime, and brought here. He confessed fund is really sufficient to meet every dollar, yesterday and was indicted. To day he was and the State's resources, already drawn upon for a \$5,000,000 public school approprintion annually, may soon be directed to perfecting a comprehensive system of road improvements. The common highways of the Commonwealth are in a tortuous con dition. An efficient road law, similar, say, to the plan in operation in New Hampshire, would add to the value of farming land and open sections to agriculture now closed to development because of the impossibility of marketing the harvests and crops. A road law assisting the private enterprise of resident owners or the operations of County Commissioners would cover the bill -Phila

The Fountain Head of Strength. When we recollect that the stomach is the grand laboratory in which food is transformed into the secretions which furnish vigor to the system after entering and enriching the blood; that it is, in short, the fountain head of strength, it is essential to keep this in portant supplying machine in order, and restore it to activity when it becomes in-active. This Hostetter's Stomach Bitters does most effectually, seasonably, regulating and reinforcing digestion, promoting due action of the liver and bowels. Strength and quietude of the nerves depend in great measure upon thorough digestion. There is no nervine tonic more nighly esteemed by the medical fraternity than the Bitters. Physicians also strongly commend it for chilfs and fever, rheumatism, kidney and bladder trouble, sick headsche, and want of appetite and sleep. Take a wineglassful three times a day.

A Big Crop of Children.

PARKERSBURG, W. Va., Sept. 30 -Mrs. Samuel Bennett, of Tanner, Gilmer County, gave birth to her twenty ninth child a few "stand by " the Suite. days ago. Mrs. Bennett is only 46 years old. ably just and legal claims. Holding that the Rebellion was right and justifiable, say that I regard the resolution of the Senator from Kansas as trivial and blocking the insisting that the lesses of their brothern. Therefore, insisting that the lesses of their brothern representatives will be found insisting that the lesses of their brothern. Therefore, is also remainded in the same of the saving will be important discussion. Therefore, in the lesses of their brothern representatives will be found in the prolific means of the saving will be important discussion. Therefore, in the lesses of their brothern representatives will be found in the prolific means of the saving will be important discussion. Therefore, in the lesses of their brothern representatives will be found in the prolific means of the saving will be important discussion. Therefore, in the lesses of their brothern representatives will be found in the prolific means of the saving will be important discussion. Therefore, in the lesses of their brothern representatives will be found in the prolific means of the saving will be important discussion. Therefore, in the lesses of the saving will be important discussion. Therefore, in the less of the saving will be important discussion. The saving will be important discussion. Therefore, in the lesses of the saving will be important discussion. Therefore, in the lesses of the saving will be important discussion. Therefore, in the less of the saving will be important discussion. Therefore, in the less of the saving will be important discussion. Therefore, in the less of the saving will be important discussion. Therefore, in the less of the saving will be important discussion. Therefore, in the less of the saving will be important discussion. The saving will be important discussion and the saving will be important discussion. The saving will be important discussion and the saving will be important discussion. The saving will be important discussion at the saving will be important discussion. Gilmer Democrat, "the Bennetts are Republicans and if this sort of thing continues our majority will be in danger."

Five Negroes Hanged.

ATLANTA, GA, Sept. 29 .- At noon to day five negroes were hanged together on a Get a Practical Business Education scaffold at Mount Vernon, Montgemery county, Ga.

Three of them murdered Alex. Peterson, a rich merchant, last July ; the fourth killed a five-year-old child, and the fifth murdered a negro companion. It was the first hanging in Montgomery since the war. About 1,000 liquors in the state, to Max Klein, 82 Fed-erat St. Allegheny, Pa. had been erected in a public square. I had been erected in a public square.

of the beneficial results he has received from a regular use of Ayer's Pills. He says: "1 was feeling sick and tired and my stomach seemed all out of order. I tried a number of remedies, but none seemed to give me relief until I was induced to try the old relia-ble Ayer's Pills. I have taken only one box, but I feel like a new man. I think they are the most pleasant and easy to take of anything I ever used, being so finely sugar-coated that even a child will take them. I urge upon all who are in need of a laxative to try Ayer's Pills. They will do good."

For all diseases of the Stomach, Liver,
