large display in a building adjoining that of Guatemaia and her show is well grouped and arranged, both on the main floor and on the galleries that surround the inner court. Noth ing is forgotten in her exhibits skins of all her wild animals, samples of all her cereals, fruits, tobacco, of her manufactures and minerals. But the showing made by Kenador, while smaller (it forms a separate section in the Agricultural building) is more in-(Special World's Pair Letter.)
Among the most interesting exhibits teresting. For Ecandor excels her more progressive neighbors at least in one particular-Indian antiquities dug

out of her soil in valleys and on mountain tops. In the Venezuela building there is also a handsome display, and even ome remarkable oil paintings, from talented painters like Rojas and others, ere shown. But that which attracts by far the greatest number of visitors is a collection of relics placed in a separate room. There you find relies of Bolivar, the great liberator from the Spanish yoke, such as a fine sword, diamond-encrusted, presented to him by the free citizens of Lima, and a meiallion of Washington, sent by the family of the great American hero. And of greatest interest is the buttle flag of Pizarro, almost perfectly pre served in its heavy gold embroidery and its emblems, and the cont-of-arms of Spain. This is the same victorious standard with which the ruthless but bold Spanish adventurer entered the city of Cuzco on November 18, 1555, after the execution of the last Inca,

Atahualpa. In orchids, too, these countries make a very fine showing. In all some 500 varieties are on view, of which Guatemala alone shows about 200, collected by one of her commissioners, Dr. Guzman, a specialist in botany. But of probably be a careful and minute ex-

J. N. SNYDER.

strictly pure:

has often wasted time and material in trying to obtain a chade of color, and has even resorted to the use of ready mixed paints, the ingredients of which he knew nothing, because of the difficulty in making a shade of color with white lead. This waste can be avoided by the use of National Lead Company's Pure White Lead IN THE UNITED STATES.
