Christmas Harper's Workly is beyond all question the leading journal in America, in its splend id illustrations, in its corps of d stinguished contributors, and in its vast army of readers. In special lines, it draws on the highest or-der of talent, the men best fitted by position and training to treat the leading tuples of the day. In finion, the most popular story writers contribute to its columns. Superb drawings by the foremost artists illustrate its special articles, its stories, and every notable event of public interest; it contain portraits of the distinguished men and wo men who are making the history of the time, while special attention is given to the Army and Navy, Amateur Sport and Mosic and the Drama, by distinguished experts. In a word, Hosper's Week's combines the news features of the daily paper and the artistic and literary qualities of the magazine with the solid critical character of the review. DOLL -little add big.
