OR : SHINE,

The reputation that the Worldy Here'd has enjoyed for many years of being the set home newspaper in the land will be materially edded to during the year of 1894. No pains or expense will be spared to make it in every department the most reliaeresitng and instructive of all weekly newspaper publications. It will be improved in many ways. A number of new features and departments will be added. The latest development in all fields of contemporaneous human interest will be ably discussed from week to week by accomplished writers. THE NEWS OF THE WORLD

will be given in a concise but complete form. Every important or interesting event either at home or abroad, will be duly described in the columns of the Workly Har-In polities the Headd is absolutely independent and sound. It tells the rights

Farmers and stock raisers cannot afford to be without the Worldy Herald during

sively to subjects of timely interest to them, and giving many valuable suggestions

The women and children of the land will find in the World's Housd's welcome visitor. The homehold and children's pages will be both instructive and entertain-ing. They will abound in hints and receipts which women so much value.

England has been secured, so that fiction will be one of the most attractive features

A brilliant array of novels and short notices by the best writers in America and

In fact, the Working Hacatel will be a magazine of the highest order, combined
