The performance in all walks of life by the boys who had will be given under the auspices of the la. carried muskets in defence of their country, and intimated in a most delicate way that he had been accorded some measure prominence and honor himself.

Commander Sample was next introduced by the Chairman, who said that this was of Lincoln township, was elected Clerk and the first visit R. P. Cummins Post had ever received from a Commander since its organ-

Comrade Sample replied that he was glad to be there, although his presence had cost him one of the weariest rides over the roughest road he had ever traveled. "But." he continued, " I would have come to Somerset to-night if I had had to walk." He omplimented the comrades upon their annual social gatherings, and the ladies upon the interest they manifested in them.

There must be something in this G. A. R." he said, "that will bring men and women out a night like this, and there is something in it that is not to be found in any other organization. This organization was founded upon the battle-field, among men who slept under the same blanket, who drank from the same canteen, who shared their tast crust and who carried the last messages of the dying. It is a comradship that was cemented in blood and that ties soldiers one to another as nothing else can." After referring briefly to the patriotic spirit that had fired the men of Pennsylvania in the early sixties, Comrade Sample declared that there was never such a demand that all old soldiers stand shoulder to shoulder as The promptoess with which Ayer's Cherry from H. D. Tate, Governor Pattison's pri- of Addison township, was probated one day | er in order that our voice may be heard at last week.
