

AMERICAN AMUSEMENTS.

The Immense Amount of Money Spent in Theaters.

A Large Army of Professionals Are Kept Busy Traveling on the Road.

It is estimated that there are perhaps as many as 1,000 traveling theatrical companies in the United States...

It would appear from the above statement that a great deal of money is being expended in the theatrical business...

The traveling companies, however, are not the sole source of the grand total, \$112,000,000. This is divided between the traveling companies and the owners of the houses where the companies play.

The 1,000 traveling companies will average fifteen to twenty shows a week, making a total of 15,000 theatrical parties traveling over the country...

Some actors make a great deal of money, but the most are generally those who make the least out of it.

When a cave is newly discovered in New Mexico or Arizona the finder's first hope is that he has unearthed an old Spanish or Mexican mine...

At a Fellowship Dinner. All Pacha Moulbari, whose death has recently taken place, was the only Egyptian fellow who had ever been elected to the rank of cabinet minister.

MISDIRECTED EFFORTS. The British Expedition of a Conscientious Male Envoy.

The mysterious and lurid history at North Kensington, England, has lately received the skin of a very handsome woman, the last of a pair of these strange Australian birds which had been kept in the zoo for many years.

Adopted the Amendment. A member of the house of commons had been paying attention to a young lady for a long time.

AN UNSTABLE BOUNDARY LINE.

New Some Gullible Tilters of the Soil.

"You have heard of snuggling, I presume," remarked a guest at one of the hotels in a Cleveland restaurant...

Twenty grains of quinine will make a man almost totally deaf. Here's a good tip for the man whose wife drags him around to musical tea.

Bucklen's Arnica Salve. The best Salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Itch, Itch, Itch, and all Skin Eruptions.

The Horse Power of a Whale. What is the horse power of a whale? This is the problem which has been solved by a brace of Scottish mathematicians.

Strength and Health. If you are not feeling strong and healthy, try Electric Bitters.

MADE FOR A KING. A Turbop-Drop Theophrastus That Weighs Two and a Half Pounds.

La Grippe. During the prevalence of the Grippe the past season it was noticeable that those who depended upon Dr. King's New Discovery...

Testing Her Love. "Maria," said the stalwart young man as he gazed ardently at the blushing lass...

Nothing Succeeds Like Success. It can be said without fear of contradiction that no medicine has had greater success in curing Cough, Cold, Hoarseness and Consumption than Pan-Tina.

What a Bumper Is. When a glass is as full as it possibly can be, it is bound to overflow.

A Prominent Lady Arrested. Such attention at a Washington ball by the remarkable appearance of health, the glow of health and the charm of beauty need not depart from so many women, when a certain remedy exists in Dr. Pierce's Favorite Prescription.

A Baron as a Showman. Baron Crispin, a Russian nobleman, living in Copenhagen, has just turned showman.

Two Valuable Friends.

1. A physician cannot be always laid.

Rheumatism, Neuralgia, Bruires and Burns occur often and sometimes with the least expected. Keep handy the friend of many households and the destroyer of all pains, the famous Red Flag Oil, 25 cents.

2. Many a pious life could be saved that is being racked to death with that terrible cough. Secure a good night's rest by investing 25 cents for a bottle of Pan-Tina, the great remedy for coughs, colds and consumption.

THE MATABELE KING.

Downfall of Lobengula, the Blood-Thirsty African.

General Reluctance Over the Termination of a Barterous and One-Sided Warfare is the Dark Controversy.

The general satisfaction which has been felt throughout the world at the downfall of Lobengula is due to the fact that the Matabele king was a tyrant and a blood-thirsty man.

As illustrating the general practice of the Matabeles for many years past, Rev. Father Hartman, many years, owing to his long residence in the country, few are more competent to speak of the Matabele king.

It is not generally known that Sir Andrew Clark consulted him toward the end of 1887 for a chest affection.

COMPLICATIONS OF MEASLES.

The Real Significance of This Childhood Disease.

Perhaps no other disease of childhood is so popularly regarded as so much to be feared as measles.

It is extremely common for physicians to meet with children who have had measles and who have never had the measles again.

After an attack of measles, then, a child should receive more than usual attention to the other organs of the body.

HE'D BEEN TO THE SHOW. And Found Some One Always Watching His Little Girl.

"What's the matter, partner?" asked the little man who had been smoking in silence for fifty minutes.
