Just watch and see the Cleveland

try and similar farm products are now ranked as luxuries by thousands of hitherto well-to-do workmen who purchased them, and consequently the bottom has dropped out of the market in most manufacturing cities and communities.

Ir evidence is needed to prove that the the Government provided for, needs no Ethiopian cannot change his skin, nor comment. It is an object lesson that the the leopard his spots, reference may be wayfaring man, though a fool, cannot had to the threatened nullification of fail to understand. John C. Calhoun, the constitution of the Confederate States, and the policy of the present Administration. Hostility to protection of American industries was and is the spirit pervading and controlling the Democratic party.

sans. The nominations of Hornblower as Justice of the Supreme Court, and of Harrison for Surveyor of Customs, Kansas City, have both been rejected by the Senate, the wool schedule in the Wilson istration is complete and overwhelming.

Desconante Statesmen profess to be ere, free wool, and greatly reduced rates on all foreign imports, but we do observe the workmen of the land tambling over each other in their desire to grasp these blessings nor of petitions being forwarded to Congress praying for the speedy arrival of the promised day of free trade jubilee. On the contrary, thousands of them are reiterating the quaint and brief prayer of the devout old colored woman table-cloth this way."

Southern orators are celebrated for their gush, their cheek, and their utter

lighted way of the Constitution; the song of the siren has never tempted her; the tongue of flattery has never seduced her; the voice of the hyens has never frightened her; the menace of tyranny has never terrified her; the howlings of the wolf have never disturbed her; the threats of malice have never alarmed her. Firm and immovable she has stood in all the years that have run their cirles since she gave her pledge to be true to the fundamental law of this land. Great Scott!! Where was Virginia during the late war?

THE anti-Harrity wing of the Demo cratic party in Pennsylvania has not

It is asserted that a Bill in Equity is being prepared protesting against the legality of Hancock's nomination on the ground that the State Convention which nominated candidates for State Treasurer and Judge of the Supreme Court exhausted its powers when it performed that duty, and that it had no authority to re-convene for the purpose of nominating a candidate for Congressman-at-

Whether or not the court declares the far as the result of the election is concerned, as he is already defeated by many thousands, and we refer to the matter only to show the divided and discordant condition of the Democracy in this State.

Col. John C. Black, present member of Cougress from Illinois, who was Commissioner of Pensions during Grover Cleveland's former Administration, in the course of the tariff debate a few days since, said: "If I were certain that wages were higher here I would seek to repeal their laws which make wages higher, and smould let surges have their natural level."

"Then you are in favor," asked Mr. Reed, "of an equality of wages between this country and other countries?" "That is not a fair way to put it," said

Mr. Black. "But I am in favor of remov ing all artificial inequalities that create a fie tilious value of wages, and of letting wages have their nutural level."

How do the wage-earners like that kind of doctrine, coming from one of the party? This is old, old Democratic docman favored a reduction of wages to the European standard, and earned for himself the sobriquet of " Ten-cent Jimmy." Bourbons, the Democrats never learn

anything nor forget anything. Hon. Galusha A. Ghow opened his small creek just at the junction of Indiana. campaign as the Republican candidate Cambria and Clearfield counties.
