T will pay you to examine the QUEEN CINDERELLA RANGE be I fore you buy. It has all the latest improvements, and is sold guaranteed to be a good baker. It has the direct draft damper, by which you can have a fire in one-half the time required with the ordinary Ranegs. This is a valuable feature when you want a quick fire for early breakfast.

Thas an extra large high oven, thoroughly ventilated. The volume of inflowing and outflowing air can be regulated at will; this insures a perfect baker, and no burning on the top. It has the Triplex shaking crate, which is the perfection of convenience and cleanliness. It is especially durable, having three separate sides, or the advantage of three grates in one, and not easily warped by the action of the fire.
