### A STARTLING FACT.

Sixteen Per Cent. of Life Insurance Applicants Relieved on Account of Diseased Kidneys.

Dr. Lambert the general medical director of the Equitable Life Insurance Company, New York, said:

"We reject sixteen per cent of the applications made to us for insurance, and I have saved the entire expense of this medical department, by the rejection alone of applicants who had diseased kidneys and who died within two years after I rejected them."

This startling statement should have the attention of our citizens. There is no reason to day, why people should allow kidney disease to get such a hold on them.

Nature sends her warning in the slight pain in the back, poor circulation of the blood, sediment in the urine. When any of these symptoms appear, Dr. Lambert's Favorite Remedy should be taken in small doses at once, and these drive the poison out of the blood and restore the kidneys to healthy action. To our knowledge this is the only medicine that surely cures this almost universal complaint.

We note the recovery of Mr. Oscar Lambert, of Jersey, Mo., whose case has been talked of in the papers the world over.

Quoting from his letter to the Press, Mr. Lambert says:

"I neglected the first symptoms until I found myself in bed with a complicated disease of the kidneys. No mortal ever suffered more and lived. My physicians failed to help me. I then used Dr. Lambert's Favorite Remedy. It relieved my kidneys almost immediately, and in a few weeks I was clear of all pain and entirely cured."

Mrs. J. E. Manchester, of Providence, R. I., writes:

"I began using Dr. Lambert's Favorite Remedy for kidney disease, when Doctors failed to relieve me. It drove a bad humor out of my blood, and cured my kidneys."

Favorite Remedy has had more free advertising in the columns of the daily papers, than anything we know of, from the fact that it does as it promised—Cures Disease.

### Too Much of an Invitation.

Mrs. S. was extremely busy one morning when her little boy appeared in the kitchen and asked for something to eat. He seemed content with "Yes, in a minute," and went back to his play.

About 10 minutes later he hurriedly hunted up one of his favorite cold cakes, and calling him said:

"Here, take this and go to Mrs. B's and tell her I would like to have her take tea with us at 9 o'clock this evening."

The child trotted off obediently, and though it was some distance up the street he soon came back, and gravely reciting the cold griddle cake to his horrified mother, said:

"She didn't want this, but she says she'll come."

### The Modern Jack Horner.

"Little Jack Horner sat in a corner, Eating a Christmas pie, He put in his thumb and pulled out a plum, And said 'What a good boy am I!'"

But little Jack Horner was a deep thinker when he ate his pie and a gnat.

For his liver, it is said, was like a lead weight, as he took it was so heavy on his system.

For Jack's time of grief, however, was brief, and of sickness he never became a victim.

For a home friend said "Well let your liver findling!"

And good good lives both are now observed.

Dr. Pierce's Pleasant Pellets, absolutely effective in cases of sick headache, constipation, indigestion, and all derangements of the stomach and bowels. Satisfaction guaranteed.

\$300 reward offered for an incurable case of Catarrh by the proprietors of Dr. Sage's Remedy. 50 cts. by druggists.

### Dispelled the Fear.

He had given her the engagement ring and was telling her fairy stories about the trouble he had experienced in securing a pure white, flawless stone, when he saw a look creep into the eyes but now fired with joyous mirth and gladness.

"What is it, my own?" he whispered in his left arctic appendage.

"Oh, Harriet, suppose—"

"Yes, suppose—"

"Suppose we should get married?"

"We will, dearest," he exclaimed with a ten-dollar-a-week nerve.

"And I should lose this ring in the fluff of our velvet carpets?"

For a moment he was dead. Then a decorative possibility rushed against his prophetic soul and he said solemnly:

"We will have hardwood floors."

### Incorrigible.

"Yes," said the young man with the plaid trousers and a big watch chain, "I'm not a musical man, but I'm a musical man."

"Perhaps the modern music boxes you've said the pleasant young woman. It does many people, you know."

"Yes, I don't care for modern music. There is one thing about the old songs that I like very much."

"What is that?"

"The fact that nobody sings them."

### Buckley's Arnica Save.

### A Deserved Fate.

"Why did General Washington cross the Delaware on a dark stormy night?" asked the young man.

"Give it up," answered the crowd.

"To get to the other side," retorted the young man.

And then the crowd killed him gently, but firmly.

### Now She is Well.

"My wife was troubled with stomach, liver and kidney disease and nothing would help her but Hood's Sarsaparilla. She took two bottles and now she is well and has a good appetite. My boy was troubled with headaches and stomach difficulty and he had taken Hood's Vegetable Pills, which were the best." Nathaniel Bensing, Cross Hill, Pa.

Wife (whose husband has just thrown a tin pail at her head)—John, I wish you were right again. Then you used to throw real porridge at my head, and I said, 'Husband (after his wife had hammered him with a cotton umbrella)—And I sigh for the times when you used an \$18 silk umbrella on my back instead of a 90-cent gingham atrocity.'—Halls.

It is a mistake to suppose that women ever marry for money; sometimes, however they marry for the want of it.
