He lives by stealing chickens and eggs, whether his wife or one of his children was and he has terrorized the neighborhood in

A rancher on Vashion Island, Wash., last fall found a box which contained about 200 pounds of what he thought mas a fine quality of fire proof paint floating in the sound. The paint was packed in small tincans and bore a foreign label, and as it had cost him nothing he painted his house with it, inside and out. The rancher has since discovered, much to his sorrow, that instead

The enormous searchlight which adorned the roof of the Manufactures Building at the World's Fair is to be placed in operation at Sandy Hook during the coming week. The light is said to be the most powerful in It is asserted that a newspaper can be read that the rays may be seen 100 miles away. Vessels can be detected twenty rolles distant The light can also be managed for telegraph ing and signaling, and is so arranged as give flash lights at any desired interval. 1 is claimed that the rays of the light will visible from Philadelphia.

Max Klein, the wholesale liquor dealer tempt of court. Judge Wickham imposed The cottage plan for the home has been on him a fine of \$10 and costs. During a adopted by the trustees, so that instead of recent license court Klein is said to have one large central building it is proposed to offered to bet on the result of the granting of erect a group of cottages, thus maintaining a license to the Hotel Lakel in New Brighthem to-morrow. This start will not be more properly the features of home life in ton, and also is alleged to have made remarks to Henry Sepp, a wholesale liquor dealer of Beaver Falls, which would indicate that he had some occult influence Immense damage has been done by floods | with the court in the granting of licenses in the West and Northwest. At the unveiling of a Confederate n ment at Richmond, Va., the Rev. R. ( Cave, orator of the day, in the course of his address said: "I am not one of those who, WE CARRY A LARGE STOCK OF - clinging to the old superstition that the will of heaven is revealed in the immediate results of 'trial by combat,' fancy that right must always be on the side of might, and speak of Appomattox as a judgment of God. I do not forget that a Suwoarff triumphed and a Kosciusko fell; that a Nero wielded the sceptre of empire and a Paul was be headed; that a Herod was crowned and a Christ erucified. Instead of accepting the defeat of the South as a divine verdict against her, I regard it as but another in stance of Truth on the scaffold and wrong on the throne.' Appomattox was a triumph of the physically stronger in a conflict be-

different civilizations and antagonistic ideas " At Appomattox puritanism, backed by overwhelmning numbers and unlimited resources, prevailed; but brute force cannot settle questions of right and wrong. I believe the South was in the right; that the cause was just; that the men who took up arms in her defense were patriots who had even better reasons for what they did than had the men who fought at Concord, Lexin ton and Bunker Hill, and that her coercion, whatever good may have resulted or may hereafter result from it, was an outrage
