WHEN DAISY TRIPS ACROSS THE SQUARE. When Dalsy trips across the square

In sloppy days, with grace and care, I look without, perchance to see What like the weather bids to be,

Each morning, just at half-past cight, She comes with light, clastic mit, Then, lighting, just in front of where I wheel around my office chair, She lifts for skirts with movements And trips across the open square. I do not know the creature's name,

Or where she goes or whence she

And so I call her Daisy, for

the rivals all I ever saw. Each day I think I'll look no more, But, somehow, just as she halfs there I look to see her cross the square, And then that old childhood idea, That sights through window glass a Unlike they do to open view, Crowds all my modest thoughts askew. And whispers that the sights I are May not be all reality; To watch my hidy cross the square

WOMAN'S ERROR.

And so the tiresome days go by;

And still I watch with eager eyes;

For now it lights up life, I swenr,

Early one dull October day a girl came quickly along the farm lanes toward Marldon. There had been much rain and little frost that autumn, so ering agitation and tremulousness. Heat summer tinge of greene, but winds had mon long enough." finshed from the calves of my legs up blown incessantly and given the foliage through my thighs and body; my left arm a tattered, disconnected look. Someand hand felt as though on fire, and my head ached as if it would split when I staoped down. I had great pains in my hack stream the base of the spine. I continued to stick to my work, feeling that if I must again go down I would do so.

Every now and then glanced behind better the spine of the spine of the spine. I continued to stick to my work, feeling that her, as if she expected to hear footsteps ling else, there's always a sermon to be to her sister's.

have always been athletic, but I had lost all or a call. Nothing came. The popuon the point of giving up. I had read much ty, and she only passed a cart, driven theirs." about Hood's Sarsaparilla, and concluded to give it a trial.
