COWARDLY ASSAULT.

A BRUTAL NEGRO ATTACKS A GREENVILLE FARMER.

Phiness Werner Enters His Lonely Home, When He was Set Upon and Besten By an Unknown Robber.

Phineas Werner is the name of a bacheor, aged about 50 summers, who for many cars has lived all alone in a but built in he mountains of Greenville township. Phineas has always been impressed with mitted by a traveling dentist who extract- the idea that women are not good institutions to have about the house and prefer that had been used upon the months of to live in his own peculiar way, with all classes and character of people. The | nothing to disturb his solitary life but the

One afternoon about ten days ago for to flicted with boils. In medicine as well as be precise, Friday one week ago) a colored man came up to where Werner was at work in a field hoeing potatoes and engaged him in conversation, Stranger are unfrequent visitors at the bachelor's lonely abode and he promptly invited his sable colored visitor to sit down on the fence and tell him the "news," By and by the cologed gentleman get to Stoyestown, Mrs. Kinnnel was in the firing interrogatories at Phineas. He asked particularly in regard to the finanwhile her two little girls were nearby. A cial status of all of his neighbors and as dog came into the yard, when the cow to how they carned their money and what

Now, it has been a matter of comm report for years past in that section of the county that Phineas Werner is "well off," and that he always carries \$500 or \$500 his body. So, when the dark-hard stranger got to inquiring about money matters Phineas commenced to grow suspicion us to the object of his guest's visit. He deserved that he earried a stout hickory elub in his hand and was a nam of extra rdinary strength. Finally the visitor asked to be directed

bors-Win, Klingsman, Werner watched

the dusky figure until it disappeared from view and then he returned to heeling hi potatoes. He did not cease his labors in the potato patch until about 8:30 o'clock, when it became too dark for him to see fire was confined to the upper part of the stalks. Then he hung up his hoe and entered the door of his foriorn house. He had only crossed the threshold when he was dealt a savage blow on the head. The force of the blow staggered him but he Enid, Oklahoma, twin daughters of Mr. \$400. The tire originated from a defective did not fall to the floor. Again and again blows were rained upon his head by a club in the hands of a strong man. At last Werner grappled with the invader and in the struggle which followed both men fell to the floor and rolled out of the door, or \$1.25 per day. The contractor refused and not quill then did he discover that his assailant was the colored man who ly none of the strikers have returned to had visited him a few hours before, Blood was streaming from the gaping wounds "Thurs" brought here are among the that had been laid open on Werner's head by the club in the hands of the brotal negro. He realized that it was a life and death struggle, and grasping his assailant around the waist he held on with all of his strength. The colored man's arms were free and he continued to use his club on Werner's body with all the force the close quarters would permit. Finally-Werner almost blinded with the blood that was streaming down over his face, broke away from his assailant, and started to run down the road towards the house of the nearest neighbor-McKenzie

> shricking "anurder!" at the top of his cope. The colored brate followed him, but Werner proved too swift for his purtied up. Two jurge, deep gashes on his head and a number of black and blue welts on his shoulders and body showed the force of the black man's blows. Nothing has since been heard of the would-be robber. It is believed that he was merely the fiendish agent of two or three parties iving along the railroad who are acuninted with Werner's solitary manner of living and who had heard the rumors in regard to his carrying large sums of goney about his person and had acordingly plaqued to cob bins. Werner denies that he had more than a few dollars in his house. It is possible that sevral arrests will result, but up to this

me the names of the suspected parties save not been made public. It seems that after the negro left Wernr's home he traveled in an easterly dicetion, towards the honse of Win, Klingman, until he had passed out of sight of milding in the rear of Werner's house
