Yet I love her all the day! How I love her none may know; Who can say why roses grow? How, where'er it breaths and blows, stril the rough wind loves the roser For her lips, so honey-wrect, For the falling of her feet-Who shall all my love declared

Yet I love her all the year! How I love her none may say; In the winter, in the May-In all seasons, dark or bright, Love by day and love by night! For her glaner, her smaller, the more Presence of her here and there! In my sighing, in my song, still I towe her all life long?

### MY NEIGHBOR

-Frank L. Similar.

A fatigueing journey up six long, winding flights of stairs carried me to the door of the room I occupied inthe street, no one, I am confident, will ed some sepia on my palette. pended upon, and that there is a house across the way.

I was studying painting at the time, figure pieces which I produce with so all the other days. learning to paint the landscapes and much ease and dispose of with so much

At the head of the last flight of stairs room, and the other to some one clse's. But who this one else was I was umable to find out. Was it a man or wono? I was persuaded it was a woman, I thought and spoke of her often

Of course I could have settled the question at once by knocking at her door and asking for a match or by inquiring of my landlord, who occasionally honored me with a friendly call, but I seemed resorting to such meth-

Every time I heard the door shut I resolved she should not go out again without my seeing her, and I nearly see her as she came out at the street the day I said goodbye."

Was she young and pretty and good? What did she do, and what was her painted furiously. name." My thoughts were perpetually running up those six flights and stopping baffled at her close shut door.

I drew ideal portraits of her in my idle moments, introduced them into all my pictures and would often finish out an accidental face in a study of rocks, much to my instructor's surprise and my fellow students amusement.

The only communication I ever had with people in the house was occasion al conversation with the dust colored old woman who cleaned the windows and swept the halls. A day came for cleaning my windows

when it rained heavily, and I could not give the old woman a clear stage by going out for a couple of hours, but painted

Lodgers, she told me as she polished up the panes, came and went so fast that she forgot one when another came and never knew any of their names. She had an eye for character, though,

and told me the peculiarities of some of them in a quaint way, nailing her sentences now and then with odd, bad words, independently of the general

fear my pretty romance would be deaged spinster who were glasses and a son, I recken!" wrought green roses in crewl work.

and gathered up her brushes and pulls, she paused an instant to give a backward glance at her completed task. The sun had broken furough the clouds and rested tenderly on the stooping figure of the old woman in rags.

"What a picture!" I thought involuntarily. Then aloud I said, "will you come some time and let me paint you Maggie." "Me!" she cried startled.

"Yes, just as you are now, scrubbing brushes and all. Will you come?" I

cried, my enthusiasm rising. "Law! Why d'ye want to paint an old woman like me, Mr, Carroll, with

a face wrinkled like a peach pit? Why don't you paint a pretty girl? Old women are painted though sometimes, thing for me"but only to make 'emselves look young agen. Hn, hn?" It was useless to argue the point with

her, so I only said: "Yes, but I want you, Maggie. Will

you come. "Law, if ye really wanter 'ave me, I'll come, sir, 'cause yeu've been very good ter old Maggie."

old woman's conversation while I ly. I was used to having him drop in Lewiston (Me.) Journal, resolved that this picture should be enjoyed a chat with my gentlemanly hung at the salon next spring, and my landlord, for, though outwardly grave,

ers that old Maggie gossiped, but one rarely spoke of himself and kept his Joshua. BOW (RING) it is easy to steal or ring watches from the

packet. The thirf gets the watch in our hand, the chain in the other and gives a short, (mick jerk—the ring slipe off the watch stem, and away goes the watch, leav-This idea stopped that little game:

The how has a grouve on each end A colled runs down inside the pendant (stem) and fits into the grooves, firmly looking the bow 10 the pendant, so that it cannot be pulled or twisted off. Sold by all watch dealers, without cost, on Jas. Boss Filled and other cases containing this trade mark-A watch case opener sent free on request Keystone Watch Case Co.,

PHILADELPHIA. MINOT'S -. . DENTIFRICE. . .

PRESERVES THE GUMS,

BEAUTIFIES THE TEETH,

SWEETENS THE BREATH, BENEFITS THE THROAT. \* SAFE AND AGREEABLE. \* Everybody uses it.

The Teeth.—Nothing ever discovered a hitens the Teeth so quickly and safely as Missor's Dunr-truck. It is free from acids, grit and all danperous substances, and can be used with splen hid results, even where the teeth seem perfec It whitens and polishes The enamel beautifully.

Everybody praises it.

The Gums.—Soft and spongy gums interfere with the health by preventing the proper use of the teeth, render the teeth unsightly and cause de-cay by shrinking from the council. Mixor's Description is a certain care for unbeauthy It hardens and preserves The gums perfectly. The Breath.—Mison's Dustifuce sweetens the breath, preduces the wester-like odor which is so suggestive of neatures and cleantiness, and leaves a sweet pure taste in the month. Its action on the throat is peculiarly beneficial.

It sweetens the breath

Safe and Agreeable.—Its components are pre-fectly pure and harmless, and are the best known makes for the mouth and gume. Whitens the teeth without injury to the enamel, and is the best Dentifrice that can be used. It is ab-solutely pure in quality, percept in effect, pleas-ing to use and surprisingly low proced. It is absolutely safe Under all circumstances. Price 25 Cents per bottle. Sold by druggists

And strengthens the throat.

## August Sale!

Our colossal July Clearance sale was a creat and unequaled success-From the first to the last day, this store was crowded with customers who all agreed that they had never before seen so many and such great bargains in any one store. This month, though, is going to be a greater bargain month even than July. Our buyers are now touring through the

### Eastern Markets

with orders to buy any desirable goods for their departments, that can
