It is unfortunate that the school building should have been burned at this time as connection with the recent encampment | it will permit either party to the controof the G. A. R., at Pittsburg. Preaching versy to make objectionable insinuations, when in all probability both sides are entirely innocent.

Fire Company Organized.

The first fire company to be organized for President of the Pennsylvania League since the days when the municipality boasted of two hand engines, was effected vention at Harrisburg last week. In fact, Saturday evening, when a request was young "Ajax's" speech was the gem of made upon town council to furnish a proper equipment. The organization is composed of some of the hustling young men of the East End. It is announce that a second company will be organized in the West End during the present week. Now that the means are at hand with which to battle the boys are determined to be prepared to give the Fire King a rattling fight. Town Conneil should not delay in erecting a proper building for housing a book and ladder truck and they should make the building large enough to furnish accommodations for the meetings of the fire companies.

Additional Jurors.

The following named persons, in addition to the list published two weeks ago, have been drawn to serve as jurors at the usuing term of regular court, commenc ing Monday, September 24th:

Addison-C. N. Jeffries. Brothersvalley-Benj. G. Bittner, Morgan Dickey. Jefferson-John Kimmel. Lincoln-Eli Ogline.

Meyersdale-W. G. Lint. Quemahoning-E. K. Ober, Irvin Berkey, Wm. E. Rodgers. Summit-Henry Schrock. Somerset-Charles Frank. Stonycreek-Wm. Weigle. The additional panel was drawn in or-

to try the Dwire infanticide case. Passed a Flattering Examination. To the Honocuble the Judges of the Severa

We, the undersigned, the committee duly appointed by the Court for the purpose of attending to the preliminary examination of persons desirous of entering upon the study of the law, hereby certify that on Tuesday, the 4th day of September, A. D. 1894, we concluded the examination of Carl B. Scott, of the borough of Somerset, in all the branches of a thorough English education, and in the elements of the Latin language, and, although Mr. Scott is but seventeen years of age, we find him well qualified to enter upon the study of the profession of the law. In witness whereof we have hereunto subscribed our names the day and year afore-

Burnett was taken to Johnstown. His father accompanied him to that place, where he entered bond in the sum of \$1000 for his son's appearder to secure an Oyer and Terminer jury ance at Pittsburg next Monday for a hearing. Sorber could not furnish bail and was taken to Pittsburg Monday night. Officers had chased Shelly over Courts of the County of Sonerset, State of the west, and it is said that after he was

arrested he gave his confederates away. The Racing Record Broken.

Robert J., C. J. Hamlin's wonderful pacer, achieved imperial honors at Fort Wayne, Ind., on Aug. 31, dethroning Nancy Hanks and smashing her 2:04 record. He was sent against his record of 1:04] and finished the mile in 2:03], the greatest record in the history of light harness racing and one that crowns him king of the turf. The quarter was reached in 307, the balf passing in 1:01; and three quarters in 1:331. A still greater suprise was in store for Thursday at Indianapolis, when the Ft.

Wayne record was broken, a mile being overed in 2:021. It was in the second of three heats, the

average time for which was 2:03, making them the fastest three heats ever paced. or trotted either. The race was a match with Joe Patchen

Wheat as a Substitute for Corn.

for a purse of \$5,000.

Investigation by the Chicago Trade Investigation by the Chicago Trade
Bulletin with regard to the feeding of leave the city at once, wheat to live stock confirms reports from other sources that there is a very general use of the cereal for this purpose. From seeived to the inquiries of the Trade Bulletin, some of which say that the consumption of wheat for animal food will amount to from 5 to 20 per cent., and a few anticipate the use of as much as 50 per cent., in displacement of the other grains. If these estimates have not been exaggerated the effect must ultimately be felt in a measure of relief to the abnormal price depression in the wheat markets, The relatively greater value of wheat when fed to stock is indicated by the report of a Western hog feeder to the president of the Commercial Exchange. Th result of his experiments in wheat feeding in the last few weeks has been a gain over 54 cents in the Chicago market after the payment of freight and other expenses
