for next year's crop. Had I been a new home told very plainly to us where correspondence I have gathered these. On the contrary, we would urge the more effective enforcement of the present law, not merely for the advantage of the dairy interest, one most important to the prosperity of the country, but for the sake of the preservation of the health of the whole community, than which there can be no more vital issue. The dairy interest may be not improperly regarded as the very founlation of good husbandry and agriculturnl prosperity. In it in this State is avested a larger amount of capital than in any other single industry, and

corners of the room. One Form of Untidiness. A great drawback to the universally worn shirt waist is the difficulty of more slipshod appearance thatea skirt which drags down in the back, showing its binding, if not a gaping space between the two garments. Pins are defusive and ineffectual, and hooks are apt to prove slippery. A method which is more trouble than either, but which will make up in the satisfactory results, is to make a belt just long enough to reach from one underarm seam to neross the back of the waist to the corresponding seam on the other side, and work in it three buttonholes, financial Legislation largely depends. one near each end and one in the middle. Sew the belt on to the waist

NEW YORK REPUBLICANS

Nominate Ex-Vice-President Morton for Governor.

In the New York State Convention last Tuesday, which was the largest and most enthusiastic held in many year-,

Ex-Vice-President Morton was nominated for Governor on the first ballet. by a large majority; Churles T. Saxton for Lieutenant Governor, and Albert Haight for Judge of the Court of Azpeals. The following is the platform, except the part relating to State issues : The Democratic party of the United States and the Democratic Chairman of the Ways-and-Means Committee of the House of Representatives, have announced that the war against the protected industries of the country has cuted to the bitter end. On behalf of the wage carner, the agriculturist, the business man, and of every sacred inassaults, the rights of the workingman and his employer, both watconly in-We invite the people to compare the

is inoperative or for any other pretext, the performance of a Democratic Administration. Its most important of that law; and we demand that the achievement thus far has been fitly propriation means of such enforcement | its choice as one of "perfldy and dishonor." Denouncing political corruption, it has rewarded the largest contributors to its campaign fund by the best of all foreign missions: denouncing trusts, it permitted one of them to formulate its Tariff bill : promising a continuance of the vigorous foreign policy established by the lamented James G. Blaine, it substituted a "policarried by the Pennsylvania troops cy of infamy" when Hawaii was freely offered us; denouncing the Sherman act as a cowardly makeshift, it was enabled to repeal the Silver-purchasing clause of that act only by the help of Republican Senators; arraigning Protection as a "fraud upon labor," it passed a mongrel Protective measure, tainted with scandal, that barely escaped a veto; advocating free raw materials and an extension of our foreign trade, it destroyed all the profitable recipro city agreements made by President Harrison; pledging itself to the payment of "just and liberal pensions," it treats the Union soldier as if the Grand Army badge were the badge of beggary and brigandage; pledging retrenchment, it exceeded at the last session of Congress the expenditures of the corresponding sessions of the last Republican Congress by \$27,000,000, in the face of decreasing revenues, and after it of individual freedom, it hastened to

We denounce Northern Democratic wrought iron railings. On the gallery of their section while removing or largewill be displayed Pennsylvania's ex. ly reducing Protective duties on the hibits of birds and animals at the products of the North, thus permitting World's Fair and on the walls beneath | the South by legal enactment in time will be hung the portraits of all the of peace to destroy our prosperity and in the protection of your own inter-William Penn to Pattison. The flags gal enactment in time of war. And will be tastefully arranged in glass and we especially denounce the Democratic metallic cases in the centre and four Representatives from this State, the greatest manufacturing State in the Union, whose annual manufactured products exceed those of the entire South by \$600,000,000 for their treachery and cowardice in aiding the pussage of a sectional Tariff bill that has erippled the industries and reduced the wages of workingmen, and that places a tax on acomes, which is a tax on prosperity. We ask all who favor a discontinuance of Tariff agitation or who believe in the restoration of Republican Protection, to elect Republican members of the House of Representatives in every district, that our industrial interests may be properly represented in the councils of the Nation, an i not, as at present, left utterly unrepresented in the leading committees, upon which the framing of Tariff and

> On behalf of the farmers of New York we protest against free wool, which means the destruction of our sheep husbandry and which has brought the price of wool to the lowest figure recorded. We denounce the Federal Administration for surrendering an annual revenue of \$8,000,000 on wood and imposing a heavy burden nearly ten times greater by levying a tax on sugar, as the commonest household necessity.
