

WHEN EDITH PLAYS.

When Edith plays strings with her fingers... Her fingers were with the white keys...

SAVED BY A HISS.

In front of the entrance a "spider" stood on a starch box and beat upon a piece of tin with a stick...

Slowly and with switching tails two of them obeyed, and clambering upon the balancing-board, swung up and down...

over with, so only those screams might be stopped. It seemed as though it had gone on for hours...

Reason on This. You could call a man a fool to try to run an engine with a crooked piston-rod...

Frands That Must Be Checked. The attention of the state authorities has recently been called to the numerous frauds and impositions which are being practiced upon many citizens of the state...

To Make Better Citizens. The United States Commission, in its report on the school system of Pennsylvania...

It is possible that you may remember Toppan as the man who married Victoria Boyden, and, in so doing, thrust his greatness from him and become a bank clerk instead of an explorer...

"You grand old brute!" muttered Toppan; and then he said: "Do you look into his eyes now? You would see Africa, and unnamed mountains, and great stony stretches of desert, with red blue shadows, and plains of salt, and lairs in the jungle grass, and lurking places near the paths the stein-book make when they go down to water."

Julius Caesar had weak digestion and was subject to epileptic fits. He was always poor and constantly annoyed by his creditors.

Woes of the Famous. Nero had bulging eyes and was very near-sighted. De Foe had more than one dose of Newgate and the pillory.

But this was long afterwards. He died hard, and sometimes he would have moments of strength in his weakness, just as before he had given up his career during a moment of weakness in his strength.

At the second repetition the lions paused. None better than they knew what was the meaning of that hiss. They had heard it before in their many-daying grounds in the early days of summer, when the first heat lay close over the jungle, like the hollow of the palm of an angry god.

Palatrine lived in extreme poverty most of his days, and finally died in great woe. Charlemagne had an ulcer in his leg that gave him much annoyance for many years.

Two Conundrums. A handsome and bright young woman from Cleveland is spending the summer in Buffalo. One evening this week she was at a gathering of young people, and some one asked: "If you were going to dam the Mississippi river how would you do it?"

Do Trees Require Sleep? In the larger cities where shade trees are few and scattering, electric lights seem to have no visible effect upon their foliage.
