that I fancied he was either a little off "I shall not mention this little side or else that he thought me a suspicious makes, and the foremost troopers are scout," he muttered, as he caught up character" "I know little about him personally," replied the major, "beyond the fact that he is a power on the street and that he has a lovely wife. By the way, if you care for society let me inmade in one troop during the past hour in this resolution, for it was the first troduce you to Swinton. He is a memby Indians hurling and rolling rocks dead man he had seen during his brief ber of all the best clubs and an fait and boulders from high precipices upon service in Arizona, and besides he had with everybody and everything." the defenseless men and beasts that been shot at. Faney what might have A few days later Mr. Swinton, and Clyde were enjoying a tete-a tete din-

ner at one of the former's clubs in the city. The dinner was in every way agreeable and entertaining to the two men, who already by that indescribable intuition which one cannot readily define felt themselves friends. As they arose to go into an adjoining room for their coffee and cigars Clyde to his astonishment, saw Holmes in evening dress enter the dining room. Turning to his friend and making a slight motion in the direction of Holmes, Clyde said: Pray tell me who that man is and "slap-jacks" and hot coffee a change what you know about him?" "That's Holmes-Lawrence Holmes, the stockbroker. I do not fancy him

myself, though his wealth and ability The following morning the Indian I have always felt that he was in some underhand way implicated in poor Clayton's misfortune, which led to the latter's disappearance and probably to his death. However this may be, Clayton's whereabouts have been unknown to his friends ever since the beautiful Miss Thorpe, to whom it was understood he was engaged, gave him his conge."

responded Clyde, showing much inter-Swinton assumed a more easeful position and then turning to Clyde he said; "You surely must have heard of the great belle of a few years ago. Augusta Thorpe ?" Ciyde bowed his head and the other continued: "She was possessed of every grace and charm and naturally had hosts of admirers and numberless suitors, THE ART AMATEUR. record, but he had quite recently been transferred to this cavalry regiment; words: "I remember; you lorged. Among the latter it is only necessary to speak of Clayton and Holmes. These two men, though the antitheses of one another, seemed to be her favorites from the first. Holmes in two things only was the superior of Claytonthings which should not have escaped his attention to the chain and locket. wealth and sophistry. Clayton was by far the better man in every way, and, in time, though it had not been so announced, it was very generally understood that he and Miss Thorpe were engaged. Holmes did not dissince the men had tasted coffee or anyin mosaic, with rocks and a little stream continue his visits, however. On the thing warm, save alkali water, and it in the foreground; its three pendants contrary, he became even more attentwas well understood they were not to were composed of diamonds and turive than formerly.
