From 1874 until count was the firm's ledger, the counter 1877 the annual appropriation was \$1,000,- book having been destroyed after the Discussion-"Should Directors be paid | 000. Subsequently it was Increased to transfer to the ledger. Judge Barker Brant, Dr. Kimmel, S. D. Yutzy, Noah \$5,000,000 annually, and in 1800 to \$5,500, the jury and directed a verdict in full for 600. During the Beaver Administration | the plaintiff. His honor ruled that the there was appropriated to the schools of ledger book was inadmissable in evidenthe State \$7,000,000, and during the Patti- to prove the account, and that the book son Administration, \$21,000,000.

Some Important Facts.

every person to devote sometime to read- careful of blotters and books of origina dent. Dr. Brumbaugh being present was ing. The best literature is the daily entry. introduced and delivered a very interestnewspaper, and the best daily newspaper is The Pittsburg Times. It is complete in every department, gathering promptly the news from all parts of the world and presenting all sides of every public question fairly and intelligently. Its market reports are models of accuracy; its departments for women readers and for the farmer are useful and entertaining, and its serial stories are by the most noted writers. The aim of its publishers is to make The Times a paper for the home above everything else, and they have succeeded admirably.

The Tomos is delivered by agents for Chen Yuen by an accident in Wei-Hai one cent a day, or will be sent by mail for Wei Harbor, and is now practictically thirty cents for one month; fifty cents for two months; seventy-five cents for three months; \$1.50 for six months, or \$3.00 for one year. If there is no agent for The Times in your locality, write for sample

All of these lands are underlaid with valuable noinerals, coal, iron ore, fire clay, aluminum and other minerals, known to abound in paying quantities. They are easy of access to the market, only about 3 miles from the Comberland and Penn'n Railroad, with an old road partly built, about 7 miles from the R. & O. Railroad, and only 2 miles from the Mount Savage Fire Brick Works, of the Union Mining Co.

There is some timber scattered over the different tracts.
