For sweet Heaven's sake, give us a rest! and remember that "the race is not always to the swift."

IT is autounced that Senator McCarroll will introduce a bill in the Senate to compel the teaching of music in the public schools of this State. Why not | trouble was apprehended. add dancing? It is quite as necessary an accomplishment, equally as useful, and is in the line of physical training now arged as so necessary for the development of the rising generation,

THE attempt to throttle the income tax by refusing to grant an appropriation for its collection, failed in the Senate, last week. It will now be levied, and those whose incomes exceed \$4,000 officials. The law is retroactive and stood guilty of her murder. covers all incomes for the past year.

IT turns out that the accoustic features of the re-modeled chamber of the execrable, and a loud how! has gone up from the members, who complain that they cannot be heard a few feet from their desks, or if their voices are heard their language is misunderstood. There is no evil without its recompense, so we may count upon legislative oratory being at a discount, and the session will thereby be shortened.

It has been a standing complaint of the Democratic organs for some time but persistently shouldered the responsibility upon the Democratic majority. one of the greatest financiers in the country, has framed and introduced a bill. Now let us see if the Democrats have sense enough to adopt it.

BECAUSE Pattison twice slipped into the Gubernatorial chair by reason o wrangles in the Republican ranks, his admirers think for similar causes he may be elected mayor of the great Republican city of Philadelphia, and accordingly they placed him in nomination within a few hours after he had witnessed the inauguration of his sucto unite Democrats and disgruntled Republicans in his support has already failed, and the next Mayor of the Quaker City will be a stalwart Republican named Charles F. Warwick.

On Tuesday of last week the Republicans of Pennsylvania again came to their own, and with the inauguration that has so long and so well administered its affairs. Four years ago the Republican party was split asunder by reason of an unpopular nomination for Governor, and so it went out of power and a Democratic minority assumed the reins in this overwhelming Republat persecution. lican Commonwealth. In November last the people by an unprecedented majority declared their will that the Republicans should again administer the affairs of the State, and to-day they are in absolute control.
