upromise with the holders of bonds of

appointment of an executive clerk.

LONDON, March 16 .- One of the greatest industrial lockouts of modern times began to-day, when practically all the boot and shoe factories in England closed their doors in the face of sullen labor, Already over 200,000 operatives are affected and the lockout will, it is expected ex- its doors Thursday. No statement has tend to 200,000 more. Over 1,500,000 people will ultimately be vitally affected by e monster labor war.

The men locked out are said to have a fund of \$300,000 with which to see them through the first month of the lockout, But it is estimated that the trouble will cost the Leicester district alone at least \$1,000,000 in wages. The conflict started in a complicated

dispute concerning the use of improved machinery and is strikingly similar to the old-time labor struggles that sprang from the introduction of machine weaving. The employers refused to arbitrate the questions in dispute, claiming that the operatives did not accept previous decisions of the arbitrators,

They, therefore, on March 8 notified the operatives to stop work to-day. They declare that they have enormous stocks of goods on hand, and are not anxious as to the outcome of the fight. Nevertheless, they are preparing to protect themselves by the employment of American labor- by Herman Weffobres, No. 107 Ayre

The bank of Dubois, Pa., failed to open been made, but depositors are not worried as the stockholders are wealthy and the bank is believed to be temporarily out of funds owing to an unexpected run on it. The decision of the Illinois Suprem Court that part of the State eight-hour law is unconstitutional is most important and will have far-reaching results. It is the first decision in the United State against the eight-hour law, and present a new obstacle in the path of the move ment for shorter hours. The Columbian line steamer Allianca

from Colon was fired on by a Spanish man of war off the east end of the island of Cuba. The firing is likely to lead to serious complications. The owners of the line are very indignant at the insult and say they will demand a reason for the attempt to stop an American mail steamshi on the high seas in times of peace. While whirling in the mazy waltz with

a fair partner, at a birthday party, given street, Philadelphia, on Tuesday night, David Hummell lost his ear in a singular manner. He is a man of it, and became dizzy during the dance. He slipped, reeled and fell, and as he went down, a key that protruded from a door caught in his right ear and tore it off.

gathomed by the Easton Pa., doctors. Lizzie Schupp, a domestic at the residence Thursday evening in playing with the children put on Mrs. Osterstock's eye-Boot and shoe manufacturers of Americal glasses. In some unexplained way she strained the optic nerves and rendered tightly and the evebalis turned up.

day Eugene Sisson, 'Squire Corley and Homer Collett lost their lives, and J. K. Williams, James Junkins, Jacob Cofner and William Wilson were severely burned. Two fingers were burned from Williams's hand, and he was seriously burn ed about the head and neck. Fifteen lican Stale Chairman Thomas V. SEED : : : POTATOES. : :

I am now prepared to furnish, at rea quable prices, the best SEED POTA-TOES and SWEET CORN that the market can produce. I bought last year the highest price and best potatoes in the state of New York and tested them. They all did well, with the exception rible drouth, which I will not put on the market. My crop was numerous last year. From 20 pounds I raised 15 bushels of Magie Murphys, an average of 45 bushels from I bushel. I can furnish the following kinds, all pure varieties; Maggie Murphy; Everet; Early Pride; Keystone Favorite; American Wonder; Late King; Early Puritan; Whiter Than Snow; Early Shamrock; Early Perfec-By the destruction of the hotel of J.
