Our lime burners have a good supply n hand and are extremely auxious for one week of good sledding. Public roads are in such miserable condition that only a half load of lime can be hanled on a wagon.

Increase of Pensions. All necessary steps for putting into effect the recent legislation raising all ensions below \$6 to that rating have been taken by the pension bureau. All pendon agents have been instructed to raise the pensions of those entitled to increase at the next quarterly payment at their agencies, and the legislative requirement will be fully complied with within a short period. Low rate pensioners whose names are borne on the rolls of the Buffalo Chicago, Concord, Des Moines, Milwan-6130 Chicago, Concord, December 2013 Chicago, Concord, December 2013 Receive and Pittsburg agencies will receive 4280 the \$6 rating on April 4, and all like pendigles and the second period of the second period of the second period of the second period of the second period pe

No. of feet of 10 inch supply line from reservoir to borough line at Franklin st 1500 No. of valves, all sizes.

No. of double nozzie lire by-franks—Ludg trict. The change will add about \$1,500,-000 to the pension expenditures, and the cases of about 40,000 pensioners will be
