

WEDNESDAY.

Mr. REED is already preparing to make himself a daily torment to the Democrats as Speaker of the House

next winter. GOVERNOR EVANS, of South Carolina, is using all his energy in an effort to surpass Governor Altgeld, of Illinois, as a political nuisance.

Carlisle's speeches in Kentucky will help to widen the Democratic breach through which the Republicans of that State are marching to victory,

ADMIRAL MEADE was placed on the policy as un-American.

It is easy to understand that the inereased foreign demand for American viction before an alderman or justice of securities is based upon the foregone the peace. conclusion that the next administration will be Republican.

FEDERAL officers are very busy nowadays in advertising the fact that they heartily endorse the position of the In other words, the cuckoo is abroad in the land as a salary saver.

An important decision was handed down Monday by Justice Dean, of the Supreme Court, in a question raised in a number of cases as to whether onehalf of the fees of the prothonotary, register, recorder and clerk of the ally, State instead of the County. Justice Dean holds that all of the fees belong to the County.

FLORIDA had her orange crop ruined by the cold wave, but she comes up smiling over the prospects for the biggest melon crop on record, and expects to ship more than 8,000 car loads. If nable to the State.

THE California fruit crop has increased sevenfold in the last ten years, and its value last year was \$50,000,000. This to gain from its agricultural and hortiprecious metal in its mountains.

HARRISBURG, PA., May 18, 1805. The calendars of both Houses at this ing and are loaded with bills in different stages toward final passage and approval stages toward final passage and approval or veto by the Governor. As the end of has been proposed, or by increasing the Farr Educational bill, and the million or veto by the Governor. As the end of the session draws nigh, members with millage on corporations by amending the school children of the State will soon expet bills are becoming auxious lest they may not be reached, and are clamorous for postponement of somebody else's bill and a special order for their own. With the experience of last week, it is likely that there will be no lack of attention to the business of the House on the part of most, or at least some, of the members,

The Senate refused to agree to the House resolution giving the retiring Superintendent of Public Printing his desk Senator Grady introduced a bill which

is intended to meet the objections raised by Judge Biddle, of Cumburland county, in his recent decision refusing newspaper men access to the marriage license docket. The bill provides that Orphans' Court clerks shall immediately after issuing a marriage license enter it on the marriage docket, and that the docket shall be open for the inspection of the public at all times during the hours when the office is retired list, Monday, with a reprimand open for the purpose of issuing marriage from the President. The Admiral had licenses. Any person is allowed to make criticised the administration's foreign a copy or abstract of the said docket entries for publication in any newspaper, and the clerk who violates any of the above provisions is liable to a fine of not more than \$50 for each offense, upon con-

> The Senate concurred in the Honse amendments to the act authorizing the State to assume control of county bridges, authorizing their purchase and making an appropriation for the same.

The Senate bill supplementary to the Brooks high license bill was defeated. administration on the silver question. The original supplement was prepared by the Philadelphia Law and Order Society, and required retail dealers to pay the same license in cities, boroughs and townships, but the committee had substituted a bill prepared by the Retail Liquor Dealers' Association, which graded the license fee according to the amount of liquor sold each year. This bill would have reduced license fees very materi-
