The latest nu del of these colebrated machines is admitted by all to be the aost complete machine ever made. Get a Buckeye and you will have the best. Northe-Aultman, Miller & Co., of Akren, Ohio, are the inventors and manufacturers of the genuine linekers machines. Buckeys means Ohio, and if machines are calered and called the Buckeys, but made in some other town and State, depend on it they are not the genuine. "Golden Earmer" Spring-tooth Harrows al-
