

ment under which they are to have a champion in the Senate. He will have to have a longer term of service...

REPUBLICAN NOMINATIONS.

Election, Tuesday, Nov. 12th. STATE.

- For State Treasurer. BENJAMIN J. HAYWOOD, of Mercer county.

- For District Attorney. ANDREW J. COLBOEN, of Somerset Borough.

"MARYLAND, MY MARYLAND" gives every indication of going Republican this fall, for the first time since the war.

ONLY three more months until Grover has another "Congress on his hands" which he will not be able to manage.

PENNSYLVANIA has always been known as the Quaker State. Since the late Republican State Convention it is spelled Quaker.

ON the next Fourth of July the forty-fifth Star will be added to "Old Glory," as before that time Utah will be admitted as a State of the Union.

TEXAS has fifteen counties without a single post office, and sixty-four counties without a newspaper.

IN another week the corn crop of the United States will probably be beyond the reach of harm from frost, and we expect to see a bumper harvest.
