Reunion of the Regiment to be Held in Pittsburg. rom the Pittsburg Press. The twenty-fourth annual reunion o the Tenth regiment, Pennsylvania re-

serves, will be held in this city on Thursday, October 10. The headquarters of the regiment during the reunion will be at the Builders' exchange, on Market street. The reunion will be of one day's duration and every moment of the time will be utilized. Extensive preparations have been made by those who have the matter R. J. Brant. in charge, and an endeavor will be made to have this year's reunion the most ex- sory School Law Meet With the Approvtensive in the history of the regiment. The reunion will be held under the au-

spices of Company F, which is at Beaver.

L. F. Brant,
Owing to the scattered condition of the
A. P. Kimm companies composing the regiment, the reunions of former years have been lightly attended. This year, however, circulars have been addressed to each member, asking that he be present, and the indications are that three-fourths of the surviving members of the regiment will be in the city to attend the reunion. There are about 200 members of the

of the grim reaper since the surrender of Appomattox, and of this number only about eight reside in this city. Prominent among these are J. M. McAfee, who is to be president of the present reunion; Wm. Rose, Dr. J. E. Wilson and W. W. A roster of the regiment is now being prepared, which will contain the names and rank of all who were members. All

The case of the Commonwealth vs. S. P. known addresses of those living will be also placed on the roster, and those who were killed in battle, or who have since died, and whether they were missing after the battle, will be given individual

mention. The regiment will have a business meeting during the afternoon, during which time the ladies of Company F will entertain the visiting ladies with a trip to the exposition. In the evening a camp fire will be held, at which addresses will be made by Col. McCalmont, Col. A. J. Warner, who is known as the silver-tongued orator of Ohio, and who was second colonel of the regiment, Capt. Kuhn, Cyrus

Elder, and others, The election of officers will be held at the afternoon session. The Tenth regiment was organized at Camp Wright, Pittsburg, on June 29, 1861. At the time of the organization troops were arriving at Harrisburg from all parts of the state, in answer to the call for volunteers for three years' service. At this time Gov. Curtin conceived the idea of having a reserve force organized among the best drilled companies offering, for the protection of the state. Not cardropped his lighted eigarette into the bung-hole of the barrel on which he sat. The statement is that when the moral elephant in the other story received the chew of tobacco he seized Tommy, the was still more precipitous and surprising. The barrel he sat on had contained naphtha, and rejected the lighted eigarette with an instantaneous burst of emotion which sundered its boons and gave Harry all symptoms experienced by the boy who stood on the burning deck whence all but him had fled.
